No grass clippings, trimmings and debris will be swept, raked or dumped into storm drains or dumpster.
- In addition to landscaping duties described above, Contractor selected for the Claremont location will maintain hillside behind the building once monthly to ensure brush is always kept to a minimum. CATEGORIES	POINTS
TECHNICAL PROPOSAL with the following potential maximum scores for each Technical Proposal category;	30

The Agency will select a Proposer based upon the criteria and standards contained in this RFP and from applying the weighting in this section. Oral interviews and reference checks, to the extent they are utilized by the Agency, will be used to refine and finalize scores.

If the Agency, determines to make an award based on these evaluations, the Agency will notify the selected Proposer(s). Should the Agency be unable to reach agreement with the selected Proposer(s) during Contract discussions, the Agency may then undertake Contract discussions with the next preferred Proposer and so on, or the Agency may reject all proposals, cancel this RFP, or solicit new Proposals under a new acquisition process.

B. Planned Evaluations

The Agency plans to use the following process:

- Initial screening to ensure that the Proposals are in compliance with submission requirements;
- Preliminary evaluation of the Proposals;
- Oral interviews and Product Demonstrations (if necessary);
- Final Evaluation of Technical Proposals and scoring;
- Final Evaluation of [other categories] and scoring (If Applicable);
- Review of Price Proposals and final scoring;
- Best and Final Offer (BAFO) if appropriate; and
- Select the highest scoring Proposer (s) and begin contract negotiation.

C. Initial Screening

The Agency will conduct an initial screening step to verify Proposer compliance with the technical submission requirements set forth in the RFP and the minimum content set forth in Section 5 of this RFP. The Agency may waive or offer a limited opportunity to cure immaterial deviations from the RFP requirements if it is determined to be in the best interest of the State.

D. Preliminary Technical Scoring of Proposals

The Agency will establish an evaluation team to initially score the Technical Proposals. This evaluation team will review the technical proposals and give a preliminary score to the technical proposals under the guidelines set forth in Section 6.

E. Oral Interviews and Product Demonstrations

If the Agency determines that it is appropriate, proposers may be invited to oral interviews and/or product demonstrations including demonstrations of any proposed automated systems or technology components. The Agency retains the sole discretion to determine whether to conduct oral interviews, with which proposers; and the number of interviews. Proposers are advised that the Agency may decide to conduct interviews with less than all responsive proposers.

The purpose of oral interviews and product demonstrations is to clarify and expound upon information provided in the written Proposals. Proposers are prohibited from altering the basic

substance of their Proposals during the oral interviews and product demonstrations. The Agency may ask the Proposer to provide written clarifications of elements in their Technical Proposal regardless of whether it intends to conduct Oral Interviews.

Information gained from oral interviews and product demonstrations will be used to refine technical review scores assigned from the initial review of the Proposals.

F. Final Technical Scoring of Proposals

Following Oral Interviews, Product Demonstrations, Reference Checks (if appropriate) and/or review of written clarifications of proposals requested by the Agency, the evaluation team will determine a final score for each Technical Proposal.

G. Price Proposal Review

Price proposals will be reviewed upon completion of the final technical scoring of proposals. The Proposer's Price Proposal will be allocated a maximum potential score of 70 points. Proposers are advised that this **is not a low bid award** and that the scoring of the price proposal will be combined with the scoring of the technical proposal to determine the overall highest scoring Proposer.

The following formula will be used to assign points for costs:

$$\text{Proposer's Price Score} = (\text{Lowest Proposed Price} / \text{Proposer's Proposed Price}) \times \text{Number of Points for Score}$$

For the purpose of use of this formula, the lowest proposed price is defined as the lowest price proposed by a Proposer.

H. No Best and Final Offer

The Proposal should be submitted initially on the most favorable terms which the proposer can offer. There will be no best and final offer procedure. The Proposer should be prepared to accept this RFP for incorporation into a contract resulting from this RFP. Contract negotiations may incorporate some or all of the Proposal.

I. Final Selection

The Agency will conduct a final selection based on the final evaluation of the initial proposals or, if requested, as a result of the Best and Final Offer and begin contract negotiations with the selected Proposer(s).

J. Rights of the Agency in Accepting and Evaluating Proposals

The Agency reserves the right to:

A designation by the Proposer of information it believes exempt does not have the effect of making such information exempt. The Agency will determine the information it believes is properly exempted from disclosure. Marking of the entire Proposal or entire sections of the Proposal (e.g. pricing) as confidential will neither be accepted nor honored. Notwithstanding any provision of this RFP to the contrary, Proposer pricing will be subject to disclosure upon approval of the contract. The Agency will endeavor to maintain the confidentiality of portions of the Proposal that are clearly and properly marked confidential.

If a request is made to the Agency to view portions of a Proposal that the Proposer has properly and clearly marked confidential, the Agency will notify the Proposer of the request and of the date the Agency plans to release the records. By submitting a Proposal, Proposers agree that unless the Proposer obtains a court order, at its sole expense, enjoining the release of the requested information, the Agency may release the requested information on the date specified in the Agency's notice without any liability to the Proposers.

F. Non-Commitment

Notwithstanding any other provision of this RFP, this RFP does not commit the Agency to award a Contract. The Agency reserves the right, at its sole discretion, to reject any and all Proposals, or any portions thereof, at any time; to cancel this RFP; and to solicit new Proposals under a new acquisition process.
