Incorporated: 1860

Origin: This town was originally part of Boscawen, which was incorporated in 1760. In 1791, residents of the western part of Boscawen petitioned for separation into a town to be named Bristol. Residents of the eastern part voted to build a second meetinghouse to accommodate them, and thus avoid division. The separation finally occurred in 1860, when a new town was incorporated as Webster in honor of Daniel Webster, famous American lawyer and statesman. Webster served as Secretary of State during the administrations of Presidents William Henry Harrison, John Tyler, and Millard Fillmore. Mount Webster and Webster Lake were also named for him.
