The nonagricultural (nonfarm) jobs data for New Hampshire (statewide) and four statistical areas (Dover-Durham, Manchester, Nashua, and Portsmouth) are usually posted on our web site on Tuesday, typically the second or third Tuesday of the month. Because of annual state benchmarking activity, the statewide nonfarm employment data for January 2017 will be released on Tuesday, February 28. Other exceptions to the typical release date will be on Wednesday, January 18, 2017 for December 2016 data; and Wednesday, January 17, 2018 for December 2017 data.
