Incorporated: 1763

Origin: First settled in 1748 as part of Chester, the town was originally called Charmingfare, probably because of its many parades, which are bridle paths winding through pleasant scenery. It was separated from Chester and named Candia in 1763 by Governor Benning Wentworth, possibly in memory of his sea travels as a Portsmouth trader following his graduation from Harvard in 1715. Candia was the name of the principal city of Crete, the largest of the Greek islands. Candia was the birthplace of poet, journalist, and publisher Sam Walter Foss.
