Incorporated: 1779

Origin: Hancock started as an unidentified settlement on the Contoocook River, in territory known as "Society Land" or Cumberland, which had been reserved for the Proprietors. Cumberland included what is now Antrim, Bennington, Francestown, Deering, Greenfield, and Hancock. First settled in 1764, the town was incorporated as Hancock in 1779 in honor of John Hancock, first governor of Massachusetts, president of the Continental Congress, and signer of the Declaration of Independence. Mr. Hancock was a landowner in this region, but there is no record of his ever having been in the town named for him.
