

# Operation VETS Connect

*Join us in honoring those  
who have served and their spouses  
in a commitment to support  
veterans' employment.*

Starting November 1, 2016 and continuing until November 30, 2016,  
New Hampshire employers are challenged to incorporate or  
expand upon established veteran hiring initiatives.

**Free training opportunities may be available through return to  
work, on the job training, skills training and apprenticeships.**

**Watch for scheduled Recruitment Events in the  
NHWorks Office at NH Employment Security Locations.**

**You can find a list of Recruitment Events by visiting our website.**

The ultimate purpose is to enhance current efforts to support  
veteran hiring in New Hampshire and use it as a kick-off  
to a greater awareness of veterans, the unique skills they bring  
to the workforce and the benefits employers obtain in hiring them.

**If you are an employer, the spouse of a veteran, or have  
served in the military, you can connect at:**
