"I'm so glad you contacted me because your web site is now on my favorites. No telling how long it would have taken me to come across it on my own. It will be an excellent resource for me and now that I have seen your publication. Thank You!"

Julie Sullivan, School Counselor/School to Career Counselor
Hollis Brookline High School

"Your department offers wonderful materials about careers. We have used Job Notes each year. In past years, we ran a 'Job Notes Day' where students received a copy of Job Notes in their Advisory. Each Advisor reviewed Job Notes. During the day, students brought their copy of Job Notes to classes and their teachers talked about careers related to their subject area. This year, I used Job Notes in classroom guidance presentations for sophomores, juniors, and seniors. Teachers (English, Economics and Vocational) use Job Notes in their classes, also."

Maryellen Cavan, Guidance
White Mountains Regional High School

"Congrats on a GREAT Job Notes. Terrific stuff. Thanks."
