Durham, NH

Incorporated: 1732

Origin: Durham started as a parish of Dover called Oyster River Plantation, first settled in 1669. Durham was incorporated in 1732, probably to honor the first Puritan bishop, Richard Barnes, Bishop of Durham. Durham included what is now Lee until 1766, when that town was incorporated. Benjamin Thompson, descendent of an early settler, bequeathed the family estate, the Warner Farm, to be used for establishment of an agricultural college. The state agricultural school, originally set up in Hanover in 1866, was moved to Durham in 1890, becoming the University of New Hampshire in 1923.
