District 1 District 1 District 6 Belknap County District 6

Incorporated: 1727

Origin: This town was chartered in 1727 by Lieutenant Governor John Wentworth of Massachusetts, though it was not settled until 1761 due to threats of Indian attack. The name Gilmantown was chosen because there were 24 Gilman family members receiving land grants. At one time it was the secondlargest town in the state; only Portsmouth was larger. The original grant had more land than today's town, with villages and parishes including Belmont, Gunstock Parish (Gilford), Hurricane, Tioga, Factory Village, and Lakeport. The parish of Averytown was the site of an unprofitable iron-mining enterprise, and is still known as Gilmanton Iron Works.

Villages and Place Names: Gilmanton Ironworks, Kelleys Corner, Lower Gilmanton, Gilmanton Corners

Population, Year of the First Census Taken: 2,613 residents in 1790

Population Trends: Population change for Gilmanton totaled 2,937 over 50

years, from 1,010 in 1970 to 3,947 in 2020. The largest decennial percent change was a 92 percent increase from 1970 to 1980. The town's population increased by five percent from 2010 to 2020. The 2022 Census estimate for Gilmanton was 4,021 residents, which ranked 98th among New Hampshire's incorporated cities and towns.

Population Density and Land Area, 2022 (US Census Bureau): 65.8 persons per square mile of land area. Gilmanton contains 57.6 square miles of land area and 1.9 square miles of inland water area.
