## Greenland, NH

## Incorporated: 1721

**Origin:** One of the earliest settlements in the state, Greenland was a parish of Portsmouth originating in 1638. It was probably named for Henry Greenland, a town officer. About 1704, residents requested having a minister and schoolmaster of their own, and to be exempted from supporting the church and school in Portsmouth. Greenland became a separate parish in 1705. In that same period, Leonard Weeks constructed a substantial brick house, thought to be the oldest brick house in New Hampshire still standing. In 1721, Greenland was granted full town privileges, giving the leadership power to collect province taxes from residents.
