Incorporated: 1778

Origin: First granted in 1753 to a group of settlers from Chester, New Hampshire, this town was known as New Chester. In 1837, the town was renamed in honor of Isaac Hill, who served as governor and as a senator during President James Buchanan's administration. In 1937, Hill residents learned that their village was to become a flood control reservoir for the Franklin Falls dam project. Citizens purchased land on higher ground, and began planning a new village. By June 1941 the new town hall and school were completed, along with the streets, water system, and 30 houses.
