Origin: This town is situated on the east bank of the Merrimack River and maintains its agricultural heritage to this day. It was known as Naticook until 1729 when the land was granted to William Brenton, Governor of Rhode Island and son-in-law to that state's Governor Cranston, and renamed Brenton's Farm. In 1734 the town was separated from Dunstable, which had been granted by the Massachusetts government, and named Litchfield in honor of George Henry Lee, Earl of Litchfield. The town was incorporated under the New Hampshire government as Litchfield in 1749. Litchfield was the opposite landing-site of Thornton's Ferry, originating across the Merrimack River in the town of Merrimack.
