Incorporated: 1790

Origin: This township was chartered by Governor John Wentworth in 1769 as Cardigan, a name that had been used for some time. In 1779, residents petitioned for incorporation so taxes could be collected, and requested a name change to Bradford or Warwick. The petition failed, and in 1783 a second petition was made, with a request to name the town Middleton. That petition failed also, and a third petition was made in 1789, with a request to name the town Liscomb. The name Liscomb was subsequently crossed out and replaced with Orange in the 1790 incorporation document. Orange was probably chosen because of the large quantities of yellow-orange ochre found in Mount Cardigan.
