#### Incorporated: 1722

**Origin:** This town was one of four granted by Samuel Shute during his brief term as Governor of Massachusetts, which at the time included the New Hampshire province. The 1722 grant included what is now Farmington and Milton, and was named for a close friend of Governor Shute, Laurence Hyde, Earl of Rochester, a brother-in-law to King James II. The first settlers arrived in 1728, but due to trouble with Indians, the settlement didn't experience any growth until about 1760. Rochester was incorporated as a city in 1891. It includes the village of Gonic, named for the Indian Squamanagona, meaning day and water.
