Incorporated: 1766

Origin: This town was first chartered in 1766 to John Page and others, and named Wentworth, in honor of Governor Benning Wentworth. The grantees were given five years to meet the terms of the grant, and the majority were unable to do so, forfeiting their claim. In 1772, Asa Porter and others from Haverhill petitioned Governor John Wentworth, Benning's nephew, for some of the forfeited shares, which was granted. Between them the Wentworth governors issued over 150 new town charters in New Hampshire, and nearly 130 new town charters in what is now Vermont, providing homes and farms for over 30,000 families.
