Incorporated: 1770

Origin: This territory was granted to Dr. A.R. Cutter, William Tredwell, David Sewall, and Henry Apthorp, who had petitioned the Masonian Proprietors for a piece of land near Winnepeseocket Pond on which to settle. Their petition was granted in 1759, and named Wolfeborough in honor of General James Wolfe, who had been victorious at Quebec in 1759. In 1763, 2,300 acres were added to the 60 acres reserved for the governor. Governor John Wentworth established an estate on the site, known as Kingswood. This was the first summer country estate in northern New England. In 1770, residents petitioned for incorporation, which was granted.
