

Auctioneer

Auctioneers engage in the business of selling for another real, personal or mixed property by auction. Before an auction begins, auctioneers may decide what articles are worth and arrange them in lots according to type or value. They begin auctions by stating or asking for a starting bid, describing the merchandise and may tell bidders about the history or ownership of items. Ask for bids, and sell such item to the highest bidder. Keep records of the sale and ensure that consignors are properly paid.
