

Medical Technician

A medical technician is any health care worker who assists licensed health care professionals in the diagnosis, treatment, and prevention of disease but who is not licensed or registered by a specific New Hampshire regulatory board. Under this regulation, Medical technicians are limited to health care workers with access to controlled substances and with access to or contact with patients in a health care facility or in a medical establishment. Medical technicians do not include a nurse licensed in another state who is working in New Hampshire under the Nurse Licensure Compact.
