Nursing Assistant, Licensed (LNA)

Perform routine nursing-related services to patients in health care facilities and clinics, under the training or supervision of an advanced practice nurse, a registered nurse or licensed practical nurse. Duties of the LNA involve provision of direct care or assistance to care recipients. LNA nursing-related services may include personal care (bathing, grooming, or dressing); elimination; nutrition; positioning and transferring; transporting; and taking vital signs (temperature and blood pressure readings). They may work in hospitals, nursing homes, and in the community.
