

Podiatrist

Podiatrists diagnose and treat, by medical, mechanical, electrical and surgical means, ailments of the human foot and lower leg. Allowable surgical treatment in a health care facility shall be determined by that health care facility credential committee, and such surgical treatment shall be performed at that health care facility. Such certificate shall not authorize the licensee to administer general anesthesia.

Legislation

Statute: NH RSA 315
 Administrative Rules: Chapter Pod 100 - 500

Licensure Requirements

- Must be of good professional character
- Must be at least 18 years of age
