

Septic System Evaluators, Professional

The purpose of this subdivision is to assure that a septic system evaluator performs professional services only when the septic system evaluator is qualified by education and training in the specific technical areas involved.

Legislation

Statute: NH RSA 310-A:202
Administrative Rules: Chapter Sep 100 - 500

Licensure Requirements

- Good professional character
- Be of at least 18 years of age
- Complete classroom and field training at a Board-approved evaluator course
- Submit application with proof of passing exams, summary of technical experience, and three references
- Persons exempted from classroom and field training and from examination include:
 - A person who currently holds a Granite State septic system certified evaluator designation or other Board-recognized designation
 - A person actively engaged in the business of septic system evaluation in this state for at least five years who provides a sworn affidavit confirming performance of at least 25 septic evaluations
 - A person who currently holds a New Hampshire septic designer permit who provides a sworn affidavit confirming performance of at least 25 septic evaluations
