The State of New Hampshire
DEPARTMENT OF EMPLOYMENT SECURITY
REVISED STATUTES ANNOTATED, CHAPTER 282-A, AS AMENDED

PREAMBLE

WHEREAS, economic insecurity due to unemployment is a serious menace to the health, morals and welfare of the people of this state, and involuntary unemployment is therefore a subject of general interest and concern requiring appropriate action by the legislature to prevent its spread and to lighten the burden which now so often falls with crushing force upon the unemployed worker and his family; and (1977, 441:14, effective 9/3/77)

WHEREAS, the attempt to provide for such distress solely through poor relief not only is inadequate for the need but productive of serious social consequences upon many self-respecting persons, and if undertaken on an emergency basis, taxes to the utmost the administrative facilities and financial stability of the state; (1977, 441:14, effective 9/3/77)

NOW THEREFORE, the general court declares that the public good and the general welfare of the workers of this state require the enactment of unemployment compensation laws providing for the setting aside of unemployment reserves to be used for the benefit of persons unemployed through no fault of their own, and for providing a systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment. (1977, 441:14, effective 9/3/77)

Definitions

282-A:1 Applicability of Definitions

Any word or phrase defined in this subdivision shall have the same meaning throughout RSA 282-A unless the context clearly requires otherwise.

282-A:2 Base Periods

I. "Base period" means the first 4 of the last 5 completed calendar quarters immediately preceding the individual's benefit year except as provided in RSA 282-A:2, II.

II. "Alternate base period" means for benefit years effective on or after April 1, 2001 for any individual who does not have sufficient wages in the base period as defined in paragraph I to qualify for benefits pursuant to RSA 282-A:25, the individual's base period shall be the last 4 completed calendar quarters immediately preceding the first day of the individual's benefit year if such period qualifies the individual for benefits under RSA 282-A:25. The commissioner shall establish rules
for obtaining wage information if wage information for the most recent quarter of the alternate base period is not available to the department from regular quarterly reports of wage information that is systematically accessible.

(a) Wages that fall within the base period of claims established under this paragraph are not available for reuse in qualifying for any subsequent benefit years.

(b) In the case of a combined-wage claim pursuant to the arrangement approved by the United States Secretary of Labor, the base period is that base period applicable under the unemployment compensation law of the paying state.

282-A:3 Benefits

"Benefits" means the money payable to an individual as compensation for his wage losses due to unemployment as provided in this chapter.

282-A:3-a Supplemental Unemployment Plan

For the purposes of this chapter "supplemental unemployment plan" shall mean a plan, system, trust or contract by the terms of which an individual will receive from the employer, trustees of the plan or trust, union or other agency, payments supplemental to unemployment compensation or based on or to be paid in conjunction with unemployment compensation, which are available to the employees generally but not available in advance, in a lump sum or for loan, to be paid only during periods of unemployment except payments for vacations, bonuses, profit sharing plans and severance pay or separation pay.

282-A:4 Benefit Year

"Benefit year" with respect to any individual means the one-year period beginning with the first day of the week in which an individual files an initial claim for benefits and meets the earnings requirements of RSA 282-A:25; except that the benefit year shall be 53 weeks if the filing of a new initial claim would result in the use of a quarter of wages in the new base period that had previously been included in a prior base period.

282-A:5 Calendar Quarter

"Calendar quarter" means the period of 3 consecutive calendar months ending on March 31, June 30, September 30, or December 31, or the equivalent thereof as the commissioner of the department of employment security may prescribe in a rule.

282-A:6 Contributions

"Contributions" means the money payments due from an employer to the state required by this chapter.

282-A:7 Employing Unit

"Employing unit" means any individual or type of organization, including any partnership, association, joint venture, trust, estate, joint-stock company, or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, or this state or any political subdivision or any instrumentality thereof, which has, or subsequent to January 1, 1935, had, in its employ one or more individuals performing services for it within this state.

II. All individuals performing services within this state for any employing unit which maintains 2 or more separate establishments within this state shall be deemed to be employed by a single employing unit for all purposes of this chapter. Whenever any employing unit contracts with or has under it any contractor or subcontractor for any work which is part of its usual trade, occupation, profession or business, individuals in the employ of such contractors or subcontractors shall be considered to be in the employ of the employing unit unless it shall be proven to the satisfaction of the commissioner of the department of employment security that such contracting is not for the purpose of avoiding the application of this chapter. Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this chapter, whether such individual was hired or paid directly by such employing unit or by such agent or employee, provided the employing unit had actual or constructive knowledge of the work.

282-A:8 Employer

"Employer" means

I. Any employing unit which:

   (a) For some portion of a day in each of 20 different calendar weeks in either the current or preceding calendar year, whether or not such weeks are or were consecutive, has or had in employment within a calendar year one or more individuals, irrespective of whether the same individual was in employment in each such day; or

An Indian tribe as defined by 26 U.S.C. section 3306(u) of the Federal Unemployment Tax Act for which services in employment are performed within this state unless such services are otherwise excluded from employment under 26 U.S.C. section 3306 (c) of the Federal Unemployment Tax Act or under RSA 282-A:9. Indian tribes shall also include wholly owned subdivisions, subsidiaries, or business enterprises of Indian tribes.

282-A:9 Employment

I. "Employment” means service, including service in interstate commerce, performed for wages or under any contract of hire, written or oral, expressed or implied, together with service performed within the state which constitutes "employment” under the provisions of the Federal Unemployment Tax Act. II. In no event shall services performed without this state be deemed to be employment subject to this chapter if contributions are required to be paid with respect thereto under an unemployment compensation law of any other state or of the federal government. The commissioner of the department of employment security may adopt rules by which an employing unit may elect that the services performed for it entirely without this state by a resident of this state shall be deemed to constitute employment subject to this chapter.

III. Services performed by an individual for wages shall be deemed to be employment subject to this chapter unless and until it is shown to the satisfaction of the commissioner of the department of employment security that:

(g) (1) Service performed in the employ of a school, college, hospital or university, if such service is performed by a student, intern or resident who is enrolled and is regularly attending classes or by the spouse of such a student, if such spouse is advised, at the time such spouse commences to perform such service, that the employment of such spouse to perform such service is provided under a program to provide financial assistance to such student, intern or resident, and such employment will not be covered by any program of unemployment compensation;

which the newspapers or magazines are charged him or her, whether or not he or she is guaranteed a minimum amount of compensation for such service, or is entitled to be credited with the unsold newspapers or magazines turned back;

(m) Service performed in any calendar quarter by an individual in the employ of a labor organization exempt from income tax under section 501 of the Internal Revenue Code of 1954 if the remuneration for such service during such calendar quarter does not exceed $50;

**282-A:26 Weekly Benefit for Partial Unemployment**

Each eligible individual who is partially unemployed in any week shall be paid a partial benefit with respect to such week. Such partial benefit shall be an amount calculated to the nearest dollar which, if added to his wages, as used in RSA 282-A:14, III, for such week, would equal his weekly benefit amount. Such partial benefit shall not be reduced because an individual received payments from a supplemental unemployment plan as defined in RSA 282-A:3-a. An individual who receives such supplemental unemployment payments who received no wages as defined in RSA 282-A:14, III shall be deemed not to be partially unemployed but to be totally unemployed.

282-A:26-a Return to Work Program Participants; Workers’ Compensation Eligibility

I. A participant in the department of employment security’s return to work program shall be entitled to certain benefits under RSA 281-A. In the event that it is determined that a return to work program participant has been subject to an injury or occupational disease producing a disability arising out of and in the course of participation in the return to work program, the department of employment security shall not provide compensation pursuant to RSA 281-A:28, 281-A: 28-a, 281-A:31, and 281-A:31-a. However, a participant, who has been deemed eligible for unemployment compensation shall receive such benefits while otherwise eligible under RSA 282-A, or compensation equivalent to 90 percent of his or her weekly unemployment compensation benefit amount if the disability causes the participant to become ineligible for benefits under RSA 282-A.

II. When determining the amount of compensation provided pursuant to RSA 281-A:32 for a scheduled permanent impairment award, the amount of compensation shall be calculated by using the minimum wage at the time of injury multiplied by the average number of hours in training per week.

III. For a participant in the return to work program, RSA 281-A:8, I and II shall not apply and the following provisions shall apply:

(a) A participant in the return to work program shall be conclusively presumed to have accepted the provisions of this chapter and, on behalf of the participant or the participant’s personal or legal representatives, to have waived all rights of action whether at common law or by statute or provided under the laws of any other state or otherwise:

   (1) Against the employer/training partner, or the employer/training partner’s insurance carrier, or an association or group providing self-insurance to a number of employers, or the department and the return to work program; and

   (2) Except for intentional torts, against any officer, director, agent, servant, or employee acting on behalf of the entities named in subparagraph (a)(1).

(b) The spouse of a return to work program participant entitled to benefits under this chapter, or any other person who might otherwise be entitled to recover damages on account of the participant’s personal injury or death, shall have no direct action, either at common law or by statute or otherwise, to recover for such damages against any person identified in this paragraph.

IV. The department of employment security may provide this benefit by appropriate means including purchasing and serving as the master policyholder for any insurance, by self-insurance, or by administrative services contract.

V. Except as otherwise provided in this section, all other provisions of RSA 281-A shall apply.

282-A:27 Maximum Amount

282-A:28 Retirement Pay

I. The maximum weekly benefit amount of any individual who is receiving retirement pay, which means in this section a government or other pension, retirement or retired pay, annuity, or any similar periodic payment based on previous work, shall be reduced by an amount equal to such retirement pay or other payment which the commissioner finds can be reasonably said to apply to such week. In the case of such a payment, not made under the Social Security Act or the Railroad Retirement Act of 1974, if the base period employer or chargeable employer under RSA 282-A:74 does not contribute to the fund from which such payments are made, this paragraph shall not apply.

II. If the employee contributed 50 percent or more to retirement pay as described in paragraph I, no portion of said payments shall be deducted from the individual's maximum weekly benefit amount. For purposes of this section, the employee's contribution shall be rounded up to the nearest percent.

282-A:29 Adjustment of Overpaid Benefit Account by Compromise

I. The commissioner may, with the approval of the attorney general, effect by written stipulation such settlement of any overpaid benefit account due under the provisions of this chapter as he or she may deem to be for the best interests of the state; and the payment of the sum so agreed upon shall be a full satisfaction of such overpaid benefit account.

II. Payment by a debtor of interest, penalties, fees, and legal costs due under the provisions of this chapter totaling $50 or less may be waived by the commissioner of the department of employment security as he or she may deem to be for the best interests of the state.

282-A:30 State-Federal Extended Benefit Program

I. DEFINITIONS. As used in this section, unless the context clearly requires otherwise:

(a) “Extended benefit period” means a period which begins with the third week after the first week for which there is a New Hampshire “on” indicator, and ends the third week after the first week for which there is a New Hampshire “off” indicator.

(b), (c) [Repealed.]

(d) There is a “New Hampshire ‘on’ indicator” for this state for a week if the commissioner determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) under this chapter:
(1) Equaled or exceeded 120 percent of the average of such rates for the corresponding 13-week period ending in each of the preceding 2 calendar years, and

(2) Equaled or exceeded 5 percent; or

(3) For weeks of unemployment beginning April 1, 2001:

(A) The average rate of total unemployment in New Hampshire, seasonally adjusted, as determined by the United States Secretary of Labor, for the period consisting of the most recent 3 months for which data for all states are published before the close of the week equals or exceeds 6 1/2 percent; and

(B) The average rate of total unemployment in New Hampshire, seasonally adjusted, as determined by the United States Secretary of Labor, for the 3-month period referred to in subparagraph I(d)(3)(A), equals or exceeds 110 percent of the average for either or both of the corresponding 3-month periods ending in the 2 preceding calendar years.

(C) Subparagraph I(d)(3) shall not apply if at the time of such 'on' indicator benefits are available to individuals under any federal unemployment program.

(e) There is a “New Hampshire 'off' indicator” for this state for a week if the commissioner determines, in accordance with the regulations of the United States Secretary of Labor, that none of the options in subparagraph I(d) are met:

(1) The rate of insured unemployment (not seasonally adjusted) under this chapter was:

(A) Less than 120 percent of the average such rates for the corresponding 13-week period ending in each of the preceding 2 calendar years, or

(B) Less than 5 percent.

(2) The average rate of total unemployment in New Hampshire, seasonally adjusted, as determined by the United States Secretary of Labor, for the period consisting of the most recent 3 months for which data for all states are published before the close of the week was less than:

(A) 6 ½ percent; or

(B) 110 percent of the average for either or both of the corresponding 3-month periods ending in the 2 preceding calendar years.

(f) “Rate of insured unemployment”, for purposes of subparagraphs (d) and (e) means the percentage derived by dividing the average weekly number of individuals filing claims in this state for weeks of unemployment with respect to the most recent 13-consecutive-week period, as determined by the commissioner on the basis of his reports to the United States Secretary of Labor, by the average monthly employment covered under this
chapter for the first 4 of the most recent 6 completed calendar quarters ending before the end of such 13-week period.

   (1) (A) Has received, prior to such week, all of the regular benefits that were available to him under this chapter or any other state law, including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85, in his current benefit year that includes such week; provided that, for the purposes of this subparagraph, an individual shall be deemed to have received all of the regular benefits that were available to him although as a result of a pending appeal with respect to annual earnings or employment or both that were not considered in the original determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits; or

   (B) His benefit year having expired prior to such week, has no, or insufficient, annual earnings on the basis of which he could establish a new benefit year that would include such week; and

   (2) Has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, the Automotive Products Trade Act of 1965, and such other federal laws as are specified in regulations issued by the United States Secretary of Labor; and has not received and is not seeking unemployment benefits under the unemployment compensation law of Canada, but, if he is seeking such benefits and the appropriate agency finally determines that he is not entitled to benefits under such law, he is considered an exhaustee.

III. An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his or her eligibility period only if the commissioner finds that with respect to such week:

(a) The individual is an “exhaustee” as defined in subparagraph I (j);

(b) The individual has satisfied the requirements of this chapter for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits; and

IV. The weekly extended benefit amount payable to an individual for a week of total unemployment in his eligibility period shall be an amount equal to the last maximum weekly benefit amount applicable to his annual earnings class during the applicable benefit year.

V. The total extended benefit amount payable to any eligible individual with respect to the individual's applicable benefit year, calculated on the benefit schedule applicable to the individual at the close of said year, shall be 13 times the individual's maximum weekly benefit amount which was payable to the individual under this chapter during the applicable benefit year or 20 times the individual's maximum weekly benefit amount if such occurs during a high unemployment period.

VI. Whenever an extended benefit period is to become effective in New Hampshire as a result of an “on” indicator, or an extended benefit period is to be terminated as a result of an “off” indicator, the commissioner shall make an appropriate announcement.

VII. Computations required by the provisions of subparagraph I (f) shall be made by the commissioner, in accordance with regulations prescribed by the United States Secretary of Labor.

VIII. The commissioner is hereby authorized and directed to take such action as he deems in the best interests of the state to obtain that share of the cost of those benefits paid under this section which P.L. 91-373 provides to be paid to the state by the federal government.

IX. In no event shall benefits payable under the laws of this state to any individual exceed with respect to any benefit year an amount equal to 46 times the individual's maximum weekly benefit amount.

X. Except as provided in this paragraph, payment of extended benefits shall not be made to any individual for any week if extended benefits would (but for this section) have been payable for such week pursuant to an interstate claim filed in any state under the interstate benefit payment plan, if an extended benefit period is not also in effect for such week in such state. This section shall not apply with respect to the first 2 weeks for which extended benefits are payable (determined without
XI. An individual shall be ineligible for benefits under this chapter for any week of unemployment in his eligibility period,

(a) During which he fails to accept any offer of work which is within such individual's capabilities, if the gross average weekly remuneration payable to such individual for the position exceeds the sum of the individual's average weekly benefit amount for his benefit year, plus the amount (if any) of supplemental unemployment compensation benefits (as defined in section 501(c)(17)(D) of the Internal Revenue Code of 1954) payable to such individual for such week, and the position was offered to such individual in writing and was listed with the state employment services, and the position pays wages equally to or more than the minimum wage provided by section 6(a)(1) of the Fair Labor Standards Act of 1938, without regard to any exemption, or the applicable New Hampshire minimum wage, whichever is higher, or

(b) During which he fails to apply for any such work or other suitable work to which he has been referred by the employment office, or

(c) During which he fails to actively engage in seeking work by engaging in a systematic and sustained effort to obtain work during such week, and provides tangible evidence that he has engaged in such an effort.

(d) Except that, if the individual furnished evidence satisfactory to the commissioner that such individual's prospects for obtaining work in his customary occupation within a reasonably short period are good, the determination of whether any work is suitable work with respect to such individual shall be made in accordance with the provisions of RSA 282-A:32, I (d). No work shall be suitable under this section which does not satisfy the requirements of RSA 282-A:32, I (d)(2)(A), (B) and (C).

(e) Ineligibility under this provision shall not end until the individual has subsequently been employed during at least 4 weeks and earned 4 times his weekly extended benefit amount.

(g) The provisions of this paragraph shall not apply to the weeks beginning after March 6, 1993 and ending before January 1, 1995.

282-A:31 Benefit Eligibility Conditions

I. An unemployed individual shall be eligible to receive benefits with respect to any week only if the commissioner finds that:

(a) He or she has been classified in accordance with his or her experience and abilities and so registered for employment with and by the commissioner and has reported and continues
thereafter to report at an employment office in accordance with such rules as the commissioner may adopt.

(b) He or she has made a claim for benefits in accordance with the provisions of RSA 282-A:43.

c) He or she is ready, willing and able to accept and perform suitable full-time or part-time work on all the shifts and during all the hours for which there is a market for the services he or she offers and that he or she has exposed himself or herself to employment to the extent commensurate with the economic conditions and the efforts of a reasonably prudent person seeking work.

d) He or she is available for and seeking permanent, full-time or part-time work for which he or she is qualified provided that:

   (1) He or she must also be available for and seeking temporary, full-time or part-time work for which he or she is qualified if the commissioner determines that permanent full-time or part-time work for which he or she is qualified is not immediately available within the individual's labor market area; and

   (2) He or she must instead be available for and seeking temporary, full-time or part-time work for which he or she is qualified if the commissioner determines that the individual reasonably expects to be recalled in 4 to 26 weeks to permanent full-time or part-time work from which the individual is temporarily separated and equivalent or better work for which he or she is qualified is not immediately available within the individual's labor market area; and

   (3) The wages, hours, or other conditions of the temporary work are not substantially less favorable to the individual than those prevailing for similar temporary or permanent work in the locality; and

   (4) If availability is limited to part-time work, the claim for unemployment benefits is based on wages earned in part-time work; and

   (5) If the individual furnishes evidence satisfactory to the commissioner that such individual has a definite date for returning to work which is within 11 weeks of the last day of work, such person shall be exempt from the work search requirements in subparagraph (d).

e) He or she has disclosed whether or not he or she owes child support obligations that are payable through any agency of the state of New Hampshire or its political subdivisions.

(f) He or she has participated in reemployment services when so directed by the commissioner unless he or she has completed such services or has good cause for failure to participate in such services.

(g) The individual has disclosed whether or not he or she owes an uncollected overissuance of food stamp coupons as defined in section 13(c)(1) of the Food Stamp Act of 1977 as amended.

(h) For benefit years commencing on or after January 3, 2010, the individual has served a waiting period of one week of total or partial unemployment as defined in RSA 282-A:14. No week
may be counted as a week of total or partial unemployment for the purpose of this subparagraph:

(1) If benefits have been paid with respect to that week;

(2) Unless it occurs within the benefit year which includes the week with respect to which the individual claims payment of benefits; and

(3) Unless the individual was eligible for benefits with respect to that week, as provided in this section and RSA 282-A:32, except for the requirements of this subparagraph.

(i) There shall be no corresponding reduction in the individual's maximum benefit amount under RSA 282-A:25, I as a result of subparagraph (h).

II. An unemployed individual shall not be eligible to receive benefits:

(a) Based on services in an instructional, research, or principal administrative capacity for an educational institution for any week which commences during a period between 2 successive academic years or terms (or, when an agreement provides instead for a similar period between 2 regular but not successive terms during such period) to any individual if such individual performs such services in the first of such academic years or terms and there is a contract or reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms.

(b) Based on services in any other capacity for an educational institution, including services for a service organization for any educational institution for any week which commences during a period between 2 successive academic years or terms to any individual if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms; provided, however, that, if compensation is denied to any individual for any week under this paragraph and such individual was not offered an opportunity to perform such services for the educational institution for the second of such academic years or terms, such individual shall be entitled to a retroactive payment of the compensation for each week for which the individual filed a timely claim for compensation and for which compensation was denied solely by reason of this paragraph.

(c) Based on services for an educational institution for any week which commences during an established and customary vacation period or holiday recess if such individual performs services in the period immediately before such vacation period or holiday recess and there is a reasonable assurance that such individual will perform such services in the period immediately following such vacation period or holiday recess.

II-a. For the purposes of paragraph II, an individual's selection of a period or percentage-time position with an educational institution, which consists of less than the number of hours of work available per year from the educational institution, or the provision of a percentage of normal and usual employee benefits to an individual during the weeks between academic years, terms or periods by the institution shall be deemed prima facie evidence of a reasonable assurance that such
individual will perform services in the second academic year, term or period.

III. Subparagraph I(c) shall be waived for any week with respect to any individual who is otherwise entitled to unemployment compensation benefits and is selected by the department of employment security and enrolled in a vocational training program approved by the commissioner of the department of employment security and is as to such week in good standing in the training program, and has not failed without good cause to attend all scheduled sessions. Remuneration for services in connection with the training program paid to any such individual shall be wages for the purposes of RSA 282-A:14.

IV. Subparagraphs II(b) and II(c) shall apply only to services in the employ of the state or any political subdivision thereof, to Indian tribes, and to organizations defined in section 501(c)(3) and exempt under section 501(a) of the Internal Revenue Code.

282-A:31-a Worksharing Definitions
(Effective May 11, 2010)

I. “Affected unit” means a specified plant, department, shift, or other definable unit consisting of no fewer than 2 employees to which an approved worksharing plan applies.

II. “Employee” means any individual employed full-time or on a permanent part-time basis by any employer subject to this chapter and in employment subject thereto.

III. “Fringe benefits” include, but are not limited to, health insurance, retirement benefits, paid vacation and holidays, sick leave, and similar advantages which are incidents of employment.

IV. “Normal weekly hours of work” mean the normal number of hours of work each week for an employee in an affected unit when that unit is operating on a full-time basis, not to exceed 40 hours and not including overtime.

V. “Unemployment benefits” or “regular benefits” mean the benefits payable under RSA 282-A:3 other than worksharing benefits and includes any amounts payable pursuant to an agreement under any federal law providing for compensation, assistance, or allowances with respect to unemployment.

VI. “Worksharing benefits” mean the benefits payable to employees in an affected unit under an approved worksharing plan.

VII. “Worksharing employer” means an employer with an approved worksharing plan in effect.

VIII. “Worksharing plan” means a plan of an employer under which there is a reduction in the number of hours worked by the employees in an affected unit, and the affected employees share the work remaining after the normal weekly hours of work are reduced.

I. An employer wishing to participate in a worksharing program shall submit a written and signed worksharing plan to the commissioner for approval. The commissioner may approve a worksharing plan if the following criteria, and any other criteria the commissioner deems relevant, are met:

(a) The plan identifies the affected unit or units to which it applies.

(b) The employees in the affected unit are identified by name, social security number, the normal weekly hours of work, and proposed weekly wage and hour reduction.

(c) The normal weekly hours of work by employees in the affected unit are reduced by not less than 10 percent and not more than 50 percent and the reduction in hours in each affected unit is spread equally among employees in the affected unit.

(d) The plan provides that health benefits and retirement benefits under a defined benefit plan (as defined in section 414(j) of the Internal Revenue Code) or contributions under a defined contribution plan (as defined in section 414(i) of the Internal Revenue Code) shall continue to be provided to the employees in the affected units under the same terms and conditions as though their normal weekly hours of work had not been reduced, or to the same extent as other employees not participating in the worksharing program, and specifies the effect, if any, the reduction in the normal weekly hours of work will have on other fringe benefits provided by the employer.

(e) The plan certifies that the reduction in the normal weekly hours of work is instead of layoffs and states the reason for and expected duration of the work reduction. The plan shall not serve as a subsidy of seasonal employment during the off-season, nor as a subsidy of temporary part-time or intermittent employment.

(f) The plan describes the manner in which the requirements of this section will be implemented (including a plan for giving notice, where feasible, to an employee whose work week is to be reduced) together with an estimate of the number of layoffs that would have occurred absent the ability to participate in the worksharing program. If advance notice of the implementation of the worksharing plan is not feasible, the plan shall explain why it is not feasible.

(g) The written approval by the collective bargaining representative for each affected unit is included in the plan.

(h) The plan specifies a beginning and ending date. The ending date shall be not more than 26 weeks from the beginning date.

(i) The plan contains an agreement by the employer to furnish all reports and information necessary for the administration of the plan and to permit access by the commissioner to all records necessary to verify and evaluate the plan.

(j) No employee’s participation in the plan shall be precluded or limited by any particular definition of attachment to the employer, such as length of employment.
The plan applies to only full-time or permanent part-time employees. No seasonal employees may participate in a worksharing plan.

The plan certifies that the employer has paid all contributions, payments in lieu of contributions, interest, or penalty charges due under this chapter.

The plan certifies that its terms and their implementation are consistent with employer obligations under applicable federal and state laws.

II. The commissioner shall approve or reject a worksharing plan in writing no later than 15 business days after its receipt. The commissioner’s rejection of the worksharing plan shall be final and shall not be appealable, but rejection shall not prevent an employer from submitting another plan for approval.

III. An approved worksharing plan may be modified only with the approval of the commissioner. The worksharing employer shall notify the commissioner in writing of any proposed changes in the conditions of an approved plan. If the proposed changes meet the requirements for approval of a plan, the commissioner may approve the modifications. If the modifications do not meet the requirements for approval, the commissioner may revoke the plan.

IV. The commissioner may revoke approval of a worksharing plan for good cause. The revocation order shall be in writing and shall specify the date the revocation is effective and the reasons for the revocation. Good cause for revocation shall include, but is not limited to, failure to comply with the assurances given in the plan, unreasonable revision of the productivity standards for the affected unit, conduct or occurrences tending to defeat the intent and effective operation of the plan, and violation of the criteria on which approval of the plan was based. Such action may be initiated at any time by the commissioner on his or her own motion, or at the request of any of the affected unit’s employees, or at the request of the appropriate collective bargaining agent. The revocation order shall be final and shall not be appealed.

V. At the end of the worksharing period provided in subparagraph I(g), the worksharing employer may submit a new worksharing plan to the commissioner for approval.

VI. The provisions of RSA 282-A:161, RSA 282-A:163, RSA 282-A:164, RSA 282-A:165, RSA 282-A:166, RSA 282-A:166-a shall apply to any information submitted in connection with an application for approval or modification of a worksharing plan, the implementation of an approved worksharing plan, or the payment of worksharing benefits. An employer shall also be liable for the repayment to the commissioner of any worksharing benefits improperly paid by the commissioner as a result of information the employer submitted to the commissioner in connection with the approval, modification, or implementation of a worksharing plan which is substantially misleading or contains a material misrepresentation of fact. In addition, a claimant shall be liable for the repayment to the commissioner of any worksharing benefits which were improperly paid due to the fault of the claimant. The commissioner may utilize any remedies provided by this chapter to recover worksharing benefits.

282-A:31-c Eligibility

I. An individual shall be eligible to receive worksharing benefits, subsequent to serving a waiting period as prescribed by the commissioner, with respect to any week only if, in addition to meeting
the other conditions of eligibility for regular benefits under this chapter which are not inconsistent with this section, the commissioner finds that:

(a) The individual is employed as a member of an affected unit under an approved worksharing plan that is in effect; and

(b) The individual is able to work and is available for the normal weekly hours of work with the worksharing employer.

II. No otherwise eligible affected individual shall be denied worksharing benefits for any week by reason of the application of provisions relating to availability for work, active search for work, or applying for or accepting suitable work with other than the worksharing employer.

III. An individual shall be eligible to receive worksharing benefits in any week for which remuneration is payable to him or her as an employee in an affected unit for less than the employee’s normal weekly hours of work as specified under the approved worksharing plan in effect for that week.

IV. An individual who is not eligible to receive unemployment benefits by reason of the application of RSA 282-A:28, I shall not be eligible to receive worksharing benefits.

V. Eligible employees may participate, as appropriate, in training (including employer-sponsored training or worker training funded under the Workforce Innovation and Opportunity Act of 2014) to enhance job skills if such program has been approved by the commissioner.

282-A:31-d Benefits Payable

I. The weekly worksharing benefit amount payable to an affected individual shall be the product of the regular weekly benefit amount, as defined in RSA 282-A:25 multiplied by the percentage reduction in the individual’s normal weekly hours of work, rounded to the next lower full dollar amount. The weekly worksharing benefit amount shall not be reduced by reason of application of the provisions of RSA 282-A:26 to remuneration received from the worksharing employer. If in any week an individual performs services for a worksharing employer and an employer other than the worksharing employer, the weekly worksharing benefit amount shall be reduced by the amount by which the remuneration received from the non-worksharing employer exceeds 30 percent of the maximum benefit rate in effect.

II. The total worksharing benefit amount payable to an affected individual during any benefit year shall not exceed the amount of total benefits calculated under RSA 282-A:25 minus the amount of regular and worksharing benefits paid to said individual under this chapter.

III. An individual who has received all the worksharing benefits or the combined regular benefits and worksharing benefits available in a benefit year shall be considered an exhaustee for purposes of extended benefits under RSA 282-A:30 and for any special federal extended benefits program, and, if otherwise eligible, shall be permitted to receive extended benefits and special federal extended benefits.

IV. An individual who performs no services during a week for the worksharing employer and is otherwise eligible shall be paid benefits in accordance with the other provisions of this chapter.
V. Claims for worksharing benefits shall be filed by the worksharing employer or as otherwise prescribed by the commissioner.

VI. Notwithstanding any other provision of this chapter relating to charges, all worksharing benefits shall be charged to the account of the worksharing employer. Benefits paid under this section shall be charged to the employer’s account in the same manner as regular benefits are charged, except that, if the employer pays contributions in accordance with RSA 282-A:87, Schedules II and III, the employer shall be charged and billed as if it had elected to make payments in lieu of contributions under RSA 282-A:70.

VII. Except where inconsistent with the provisions of this section, the provisions of this chapter, including the rules and regulations adopted under this chapter, shall apply to benefits under this section.

282-A:31-e Conformance with Minimum Standards

In the event that the Congress of the United States should pass any legislation, or the Secretary of Labor of the United States shall issue any regulation, establishing certain minimum standards for eligibility for 100 percent reimbursement, the commissioner of the department of employment security, or the commissioner’s duly authorized representative, is hereby authorized to make such revision as may be necessary to cause this section to conform with such minimum standards. If any of the provisions of this section or the application thereof to any persons or circumstances are held invalid, the remainder of this section and the application of this section to other persons or circumstances shall not be affected thereby.

II. In the event that any provision in this section fails to be approved by the Secretary of Labor of the United States under section 3306 (v)(10), FUTA, such provision shall be severed here from, and the validity of the remainder of this section shall not be affected thereby.

Disqualification for Benefits

282-A:32 Disqualifications for Benefits

In this section, “date” as used in “subsequent to the date” means the last calendar day on which the individual performed services for the employer. An individual shall be disqualified for benefits and no waiting period may be served:

I. Until the individual has earned in each of 5 weeks wages in employment as defined in RSA 282-A:9, except RSA 282-A:9, IV (f), or wages earned in a like manner in another state, of at least 20 percent more than such individual's weekly benefit amount, subsequent to the date:

c) [Repealed.]

d) The individual has failed, without good cause, either to apply for available, suitable work when so directed by the employment office or the commissioner or to accept suitable work when offered him or her, or to return to his or her customary self-employment (if any) when so directed by the commissioner.

(1) If the commissioner determines that work in the individual’s customary occupation, at the individual’s customary rate of pay, is immediately available within the individual’s labor market area, the commissioner, to find that any work is suitable for an individual, shall determine each of the following:

(A) That the degree of risk involved to the individual’s health, safety and morals in performing such work is reasonable; and

(B) That the individual’s physical fitness reasonably allows the individual to perform the essential functions of the work; and

(C) That the individual’s prior training and experience reasonably allow the individual to successfully perform or to acquire those skills necessary to perform the work; and

(D) That the distance of the available work from the individual’s residence is reasonable; but such distance shall not be considered reasonable if it is both substantially greater than that distance to all those places to which others living in the same town or city travel for work which utilizes similar or related skills or services, and also substantially greater than the distance to where the individual acquired his or her currently available annual earnings; and

(E) That the rate of pay for the work is reasonable in light of the individual’s prior earnings and length of unemployment, but in determining whether the rate of pay is reasonable his or her prior earnings shall be given more weight than his or her length of unemployment.

(2) If the commissioner determines that work in the individual’s customary occupation and at the individual’s customary rate of pay is not immediately available within the individual’s labor market area, the commissioner, to find that any work is suitable for an individual, shall determine each of the following:

(A) That the degree of risk involved to the individual’s health, safety and morals in performing such work is reasonable; and

(B) That the individual’s physical fitness reasonably allows the individual to perform
the essential functions of the work; and

(C) That the individual’s prior training and experience reasonably allow the individual to successfully perform, or to acquire those skills necessary to perform, the work; and

(D) That the distance of the available work from the individual’s residence is reasonable; but such distance shall not be considered reasonable if it is both substantially greater than that distance to all those places to which others living in the same town or city travel for work which utilizes similar or related skills or services, and also substantially greater than the distance to where the individual acquired the individual’s currently available annual earnings; and

(E) That the work, part-time or full-time, pays minimum wage or an hourly rate which when multiplied times 40 is equal to or greater than 150 percent of the individual’s weekly benefit, whichever is greater; and

(F) That the wages, hours, or other conditions of the temporary work are not substantially less favorable to the individual than those prevailing for similar temporary or permanent work in the locality.

(3) Notwithstanding any other provision of this chapter, no work shall be deemed suitable and benefits shall not be denied under this chapter to any otherwise eligible individual for refusing to accept new full-time or part-time work under any of the following conditions:

(A) If the position offered is vacant due directly to a strike, lockout, or other labor dispute;

(B) If the wages, hours, or other conditions of the work are substantially less favorable to the individual than those prevailing for similar work in the locality;

(C) If, as a condition of being employed, the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization;

(D) If the individual is unable to apply for or accept full-time or part-time work during the hours of a particular shift because he or she is the only adult available for the care of an ill, infirm, or physically or mentally disabled family member whom a licensed physician has certified is in need of care for the activities of daily living;

(E) If the individual is unable to apply for or accept full-time or part-time work during the hours of a particular shift because he or she is the only adult available for the care of a natural, adopted, step, or foster child under the age of 16; or

(F) If the individual is permanently physically and/or mentally disabled, full-time or part-time work for such individual shall be deemed to be the hours and shifts the individual is physically able to work as certified by a licensed physician provided there is a market for the services the individual offers during such hours and shifts.

(4) Notwithstanding any other provision of this chapter, benefits shall not be denied under
this chapter to any otherwise eligible individual for refusing to accept new suitable, temporary, full-time, or part-time work, offered to the individual without the expectation of such work becoming permanent, for any week which follows the earlier of:

(A) The last week which includes one or more days within the maximum expected duration of the temporary work; or

(B) The fifth week of the 5 weeks in which the individual, subsequent to the date the individual refused such temporary work, meets the earnings requalification requirements of RSA 282-A:32, I.

(5) For the purposes of section 3304(a)(8) of the Internal Revenue Code of 1954, this subsection, together with RSA 282-A:31, I(c) shall be waived.

(e) He left his self-employment or closed his business.

II. For any period for which proper and timely claims were not filed.

III. [Repealed.]

IV. For any week during which the individual resides other than in New Hampshire, another state, the District of Columbia, Puerto Rico, the Virgin Islands or a contiguous country with which the United States has an agreement with respect to unemployment compensation.

282-A:33 Temporary Self-Employment

No individual shall be ineligible for benefits or disqualified for benefits solely because he has engaged in temporary self-employment without intending to establish a business while otherwise unemployed if he continues to seek employment after completion of such temporary self-employment endeavor.

282-A:34 Intoxication; Drugs; Theft

I. An unemployed individual who has been discharged for intoxication or use of controlled drugs as defined in RSA 318-B:1, VI, of such degree and rate of occurrence as to seriously hamper or interfere with the individual's work, shall be disqualified for benefits. Such disqualification shall continue until a period of not less than 4 weeks nor more than 26 weeks from the date of discharge, as may be determined by the commissioner, has passed and until such individual has earned wages as provided in RSA 282-A:32, I.

II. An unemployed individual who has been discharged for a single theft or multiple thefts in the aggregate of an amount greater than $100 but less than $250, where such conduct is connected with his or her work, shall be disqualified for benefits. Such disqualification shall continue until a period of not less than 4 weeks nor more than 26 weeks from the date of discharge, as may be determined
by the commissioner, has passed and until such individual has earned wages as provided in RSA 282-A:32, I.

### 282-A:36 Labor Dispute

A person shall be disqualified for benefits for any week with respect to which the commissioner finds that his or her total or partial unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment, or other premises at which he or she is or was last employed; provided that this section shall not apply if it is shown to the satisfaction of the commissioner that:

I. (a) The person is not participating in or financing or directly interested in the labor dispute which caused the stoppage of work; and

(b) The person does not belong to a grade or class of workers of which, immediately before the commencement of the stoppage, there were members employed at the premises at which the stoppage occurs, any of whom are participating in or financing or directly interested in the dispute; provided that, if in any case separate branches of work which are commonly conducted as separate businesses in separate premises are conducted in separate departments of the same premises, each such department shall, for the purposes of this subsection, be deemed to be a separate factory, establishment, or other premises; or

II. The person has become unemployed and entitled to unemployment compensation before the commencement of the labor dispute and his connection with the employer has been totally severed, including the absence of recall rights, seniority rights and other fringe benefits and indicia of employment; or

II-a. The stoppage of work was due solely to a lockout or the failure of the employer to live up to the provision of any agreement or contract of employment entered into between the employer and his or her employees; or

III. The stoppage of work has continued for a period of 2 weeks after the termination of the labor dispute; or

IV. The person has, since becoming unemployed for the reasons set forth in the introductory paragraph, worked in 5 or more weeks in employment as defined in RSA 282-A:9, except RSA 282-A:9, IV(f), or wages earned in a like manner in another state, earning in each week an amount
at least equal to such person's maximum benefit rate plus 20 percent thereof, and then becomes
unemployed from said employer due to a lack of work.

### 282-A:37 Federal Unemployment Compensation

An individual shall be disqualified for benefits for any week or part of a week with respect to which
he is seeking to receive or has received payments in the form of unemployment compensation, or
payments supplementary to New Hampshire unemployment compensation, under any law of the
federal government; provided, however, that there shall be no disqualification for seeking to receive
or receiving unemployment compensation, or supplementary payments, under Chapter 85 of Title V
of the United States Code.

### 282-A:38 Another State

An individual shall be disqualified for benefits for any week or part of a week with respect to which
he is seeking to receive or has received payments in the form of unemployment compensation under
an unemployment compensation law of any other state or under a similar law of the federal
government, provided that seeking to receive or receiving payments under any reciprocal
arrangement to which New Hampshire is a party under RSA 282-A:169-172 shall not disqualify the
individual for benefits.

### 282-A:39 Unavailable for Work

An individual shall be disqualified for benefits for any week or weeks during any part of which he

### 282-A:40 Disciplinary Layoff

**Last Source:** 1981, 408:3, eff. Oct. 1, 1981.
282-A:41 Aliens

I. An individual shall be disqualified for benefits on the basis of services performed by an alien unless such an alien is an individual who was lawfully admitted for permanent residence at the time such services were performed, was lawfully present for purposes of performing such services, or was permanently residing in the United States under color of law at the time such services were performed (including an alien who was lawfully present in the United States as a result of the application of the provisions of section 212(d)(5) of the Immigration and Nationality Act).

II. Any data or information required of individuals claiming benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all claimants for benefits.

III. In the case of an individual whose claim for benefits would otherwise be approved, no determination that benefits are not payable to such individual because of his alien status shall be made except upon a preponderance of the evidence.

Claims for Benefits

282-A:42 Definitions

The following terms used in this subdivision shall have the following meanings unless the context clearly requires otherwise:

I. CERTIFYING OFFICER. “Certifying officer” shall mean the commissioner or his representative authorized to make determinations on claims.

II. CLAIM. A “claim” shall mean:

(a) Initial Claim. The first filing for benefits within a benefit year or the first claim for benefits immediately following any 7-day period for which the claimant did not file for benefits or with respect to which the claimant did not or will not receive any benefits. Such 7-day period need not be a 7-consecutive-day period.

(b) The application for either total or partial unemployment compensation benefits for any 7-consecutive-day period. Said period is to be determined in accordance with the rules of the commissioner.

III. INTERESTED PARTY. “Interested party” means the claimant, his last employing unit or employer, any employer whose account was or may be charged with benefits paid and any employing unit or employer whenever the claimant's reason for leaving their employ may be material to his claim.

282-A:43 Filing

Claims for benefits shall be made in accordance with such rules as the commissioner of the department of employment security may adopt.

282-A:44 Determination Procedure

A determination shall be a decision by the certifying officer on a claim and shall be made, except as otherwise specifically provided in this chapter, as follows:

I. A determination on an initial claim for total or partial benefits for any week shall include: the maximum duration thereof; whether or not, with the reasons therefor, the claimant is payable for such week and for consecutive weeks thereafter for which claims are filed (no other fact appearing to the contrary during such period); and identification of the employer whose account will be charged with benefits to be paid by reason of such determination. This determination shall in every case be mailed to all interested parties.

I-a. A determination on the first claim in a benefit year shall be mailed to the claimant and shall include:

(a) The annual earnings in the base period with the name of each employer reporting wages paid to the claimant, and the amount of such wages;

(b) The maximum benefits then available; and

(c) The maximum weekly benefit amount and the maximum duration of such weekly benefits.

II. A determination shall be made by a certifying officer on any claim for benefits, though not an initial claim, if, in his judgment, there appears to be an issue relative to the entitlement of the claimant to benefits. The determination shall be in the manner provided in paragraph I, and the interested parties shall be notified in the same manner.

III. Nothing in this section shall be construed to require that a determination be made with respect to a claim for any week or where the week is one of any of the consecutive weeks for which benefits are paid immediately following the week with respect to which a determination is made under paragraph I except as provided in paragraph II.

282-A:45 Fact Finding; Employer Cooperation

I. Except as provided in RSA 282-A:45-a, in finding the facts material to a claim, the certifying officer shall in every case in which the reason for an individual's leaving employment may be material:

(a) Send to the last employing unit or any employer who was or may be charged with benefits and any employing unit or employer whenever a claimant's reason for leaving their employ may be material to the claim a notice of the filing of a claim advising the employer or employing unit
of the material information provided by the claimant and advising the employer or employing unit whether the department will initiate contact with the employer or employing unit to obtain full and complete information or whether the employer or employing unit is required to contact the department to dispute the information provided by the claimant; and

(b) [Repealed.]

(c) Send to the same employing units or employers as in subparagraph (a) an information verification and waiver form as provided in RSA 282-A:50.

II. The notice, request and waiver form provided for in paragraph I may be in one or more forms and shall be as provided for in the rules adopted by the commissioner, including such time limitations as the commissioner deems appropriate.

III. Failure on the part of the employing units or employers to respond in at least one of the methods provided in paragraph I shall, at the expiration of the period set for response, be deemed an irrevocable waiver of its right to be heard before the determination is made. Benefits charged to its account as a result of the determination shall remain so charged even though the claimant is, by reason of some later decision, held not to be entitled to such benefits.

**282-A:45-a Fact Finding for Mass Layoffs**

Fact finding for mass layoffs, whether such layoff is temporary or permanent, shall be in accordance with the following:

I. An employing unit or employer shall file a mass layoff notice with the department if the employer lays off or expects to lay off 25 or more individuals:

   (a) In the same calendar week;

   (b) For an expected duration of 7 days or more; and

   (c) For either of the following reasons:

      (1) Vacation or holiday shutdown; or

      (2) Company closure.

II. The mass layoff notice form required in paragraph I may be on one or more forms and shall be as provided for in the rules adopted by the commissioner, including such time limitations as the commissioner deems appropriate.

III. Failure on the part of the employing unit or employer or both to file the notice required in paragraph I shall, at the expiration of the period set for response, be deemed an irrevocable waiver of its right to be heard before the determination is made. Benefits charged to its account as a result of the determination shall remain so charged even though the claimant is, by reason of some later decision, held not to be entitled to such benefits.

IV. An employing unit or employer may be granted a waiver from filing the mass layoff notice required in paragraph I if the commissioner determines, in accordance with such rules as the
commissioner shall adopt, that it is unlikely that 25 or more of the individuals laid off will file an initial claim, as defined in RSA 282-A:42, II(a), due to the expected receipt of wages, as defined in RSA 282-A:14, III. Any such waiver shall become void if in fact 25 or more of the individuals laid off claim benefits.

### 282-A:46 Redetermination

I. A certifying officer may, within 60 days of any determination, for good cause reconsider the determination or any part thereof, provided there was no appeal taken from the determination, or the appeal tribunal has remanded the determination to the certifying officer under RSA 282-A:56.

II. Notwithstanding the filing of an appeal, a certifying officer may within one year reconsider that part of the determination that established the claimant's annual earnings, maximum benefit amount, or maximum weekly benefit amount. Such redetermination shall be made, and an appeal therefrom may be had, in the same manner as the original determination.

### 282-A:47 Referral to Appeal Tribunal

Any claim or question involved in a determination may be referred by the certifying officer to an appeal tribunal, and such appeal tribunal shall make its decision with respect thereto in accordance with the procedure described in RSA 282-A:53-58.

**Last Source:** 1981, 408:3, eff. Oct. 1, 1981.

### 282-A:48 Appealing Determination

Any interested party may appeal from a certifying officer's determination by filing an appeal to an appeal tribunal which must be received or, if filed by mail, postmarked within 14 calendar days after the determination was mailed to his last known address; provided that, if the commissioner finds sufficient grounds to justify or excuse a delay in filing an appeal, he may extend the time for filing the appeal.

### 282-A:49 Determination Final

If no appeal from a determination by a certifying officer is taken within the time limits in RSA 282-A:48, such determination shall thereupon become final and benefits shall be paid or denied in accordance therewith, subject to the provision in RSA 282-A:48 relative to good cause for late filing of the appeal; provided, however, that the certifying officer's determination shall continue to have effect as though no appeal had been filed with respect to all weeks of unemployment and any amount not affected by the appeal.
282-A:50 Waiver

A last employing unit or any employer whose account may become charged with benefits paid as a result of a determination by a certifying officer may waive, in proper form, in writing, his right to appeal from such determination prior to the making thereof. If such written waiver in proper form is made in such case, the determination shall become final as to the issues involved when made; and benefits may be immediately paid pursuant to such determination.

282-A:51 Opportunity to Appear

It shall be a condition precedent to the cessation of payment of benefits to any individual that he be given an opportunity to appear in person at a designated office in accordance with the commissioner's rules to be heard relative to his continued entitlement to benefits. His failure to appear within the designated period shall be deemed a waiver of such right, and he shall be bound by the determination unless he appeals as provided in RSA 282-A:48.

282-A:52 Paying Benefits

Benefits found payable by any administrative determination or decision, or court decision, order or decree, shall be immediately paid in accordance therewith up to the week in which a subsequent appellate body renders a decision, order or decree finding that benefits were not payable or are not payable or both. If the final decision, order or decree so decides an issue that the claimant would not have received the benefits paid him by a prior decision, such amount shall be deemed overpaid. The commissioner shall recover such amount by civil action in any manner provided for the collection of contributions in RSA 282-A:141-156, and shall withhold, in whole or in part as determined by the commissioner, any future benefits payable to the individual and shall credit such amount against the overpayment until it is repaid in full.

Appeals

282-A:53 Appeal Tribunals; Composition and Jurisdiction

Appeal from a certifying officer's determination and a decision made pursuant to RSA 282-A:164 shall be to an impartial tribunal appointed by the commissioner. Each such tribunal shall be known as an appeal tribunal, and shall consist of 3 members or one member. If the tribunal consists of 3 members, one member shall be a representative of employees, one shall be a representative of employers, and one shall be an employee of the department of employment security who shall serve
as chairman of the tribunal. If the tribunal consists of one member, that member shall be an employee of the department of employment security and shall be the chairman. No person shall participate as a member of an appeal tribunal in any case in which he is an interested party or is the employee of an interested party. The chairman shall not be disqualified in an appeal concerning an individual claiming benefits by reason of state or federal employment.

**Last Source:** 1981, 408:3, eff. Oct. 1, 1981.

### 282-A:54 Tenure

The appointed members shall serve at the pleasure of the commissioner and shall be paid $40 for each day or any part thereof during which they perform services at the request of the commissioner. They shall be reimbursed for all expenses determined by the commissioner to be necessary to the performance of their duties.

**Last Source:** 1981, 408:3, eff. Oct. 1, 1981.

### 282-A:55 Withdrawal of Appeal

A chairman may allow an appeal to be withdrawn by the appellant; but, in such case, the chairman shall send notice by certified mail, return receipt requested, or first class mail, whichever the commissioner determines to be the most appropriate, of his or her allowance of the withdrawal to all interested parties at the last address of each according to the records of the department of employment security. Simultaneously with the mailing of such notice, the determination of the certifying officer from which the appeal had been taken shall become final.

**Last Source:** 2013, 39:3, eff. August 3, 2013.

### 282-A:56 Procedure

A hearing shall be conducted in such a manner as to ensure a fair and impartial hearing to the interested parties. The appeal tribunal shall hear the appeal de novo and shall not be bound by prior findings or determinations of the department of employment security although the records of said department shall be part of the evidence to be considered by the tribunal. An appeal shall be filed and presented and the hearing conducted in accordance with rules adopted by the commissioner. Such rules need not conform to common law or statutory rules of evidence or other technical rules of procedure. The place and time of a hearing shall be determined by the commissioner. In no case shall a hearing proceed unless the chairman is present. With the agreement of all the parties the appeal tribunal may, without holding a hearing, remand a determination for redetermination pursuant to RSA 282-A:46 for the purpose of correcting obvious department error.

282-A:57 Records

A full and complete record shall be kept of all proceedings in connection with an appeal, and all testimony at any hearing shall be recorded verbatim.

282-A:58 Decision

In every appeal, except those withdrawn, the chairman shall prepare a written decision which shall be sent by certified mail, return receipt requested, or first class mail, whichever the commissioner determines to be most appropriate, to each interested party at the last address of each according to the records of the department of employment security. The decision, except one on an appeal dismissed for lack of prosecution or defaulted for failure to attend, among other necessary things as determined by the commissioner, shall: set forth all the material findings and specific provisions of law necessary to support the conclusions; identify the interested parties and the account, whether fund or employer, to which benefits will be charged, if allowed; identify the week or period during which benefits are denied; identify the first week and subsequent period with respect to which benefits will be paid, if allowed; determine all things necessary to finally dispose of the case; and identify the members of the tribunal.

282-A:59 Appearance and Postponement

In order to protect the rights of the interested parties, if the commissioner, in his sole judgment, finds sufficient grounds to justify or excuse an interested party from appearing at a hearing or from requesting a postponement of a hearing, he shall direct the appeal tribunal to hold a further hearing. Such further hearing shall be de novo notwithstanding that a decision may have become final.

282-A:60 Reopening of Appeal Tribunal Decision; Procedure

The second level of appeal shall be to the commissioner. The commissioner may, upon written request of an interested party or upon his own initiative, in any case in which a decision has been rendered, reopen the case on the basis of fraud, mistake, or newly discovered evidence. Such request shall set forth the facts or argument considered to be the basis for the reopening. Any request for reopening shall be received in his office or, if mailed, postmarked within 14 calendar days immediately following the date of the mailing of the appeal tribunal's decision provided that, if the commissioner finds sufficient grounds to justify or excuse a delay in filing, he may extend the time for filing the appeal. The commissioner shall promptly notify in writing all interested parties of the request for reopening.

282-A:61 Commissioner's Determination

The commissioner shall render his or her determination within a reasonable period after all the facts or arguments are made available to him or her. The determination of the commissioner shall be sent by certified mail, return receipt requested, or first class mail, whichever the commissioner determines to be the most appropriate, to each interested party at the last address of each according to the records of the department of employment security. The appeal tribunal shall, upon direction to reopen, proceed in the same manner as though an appeal in said case were being taken from a determination of a certifying officer; provided, however, that the further hearing shall be limited to the introduction of evidence or argument relative to and concerning the factors which constitute the basis or ground for the reopening unless the commissioner orders a de novo hearing.

282-A:62 Appellate Board

I. There shall be an appellate board consisting of 8 members, who are and continue to be residents of New Hampshire, appointed by the governor with the advice and consent of the executive council for 4-year terms and until their successors are appointed and qualified. Two of the members shall be attorneys-at-law admitted to the practice of law in the state of New Hampshire, one of whom shall be the chair, and one of whom shall be the vice chair and shall serve in the absence of the chair. These 2 members shall be the only members of the appellate board who are attorneys-at-law. Two members shall be representatives of business management familiar with unemployment compensation laws. Two members shall be representatives from organized labor familiar with unemployment compensation laws. Two members, who shall also be familiar with unemployment compensation laws, shall represent the public. The appointments shall be for 4 years. No person shall serve more than 8 consecutive years. Any vacancy shall be filled for the unexpired term. The members shall be paid $150 for each day or any part thereof during which they perform services, except that the chair and vice chair shall be paid $200 for each day or any part thereof during which they perform services. All members shall be reimbursed for all expenses determined by the commissioner to be necessary to the performance of their duties including mileage and board and room necessary for the conduct of hearings, except that no person who is a member of the appellate board and holds a part time, full time or per diem position with the executive, legislative or judicial branch shall receive the per diem allowance.

II. In the event of an increased workload the chair of the appellate board may request the governor with the advice and consent of the executive council to appoint up to 4 additional members to the board, with equal representation for business management and organized labor. These new members shall serve for one year from the date of appointment.

282-A:63 Organization and Support

The appellate board shall be part of the department of employment security for organizational purposes but shall operate independently of that department. All clerical personnel, facilities, space, supplies, services, and other support necessary to the functioning of the appellate board shall be determined by, provided for, and administered by, the commissioner.
282-A:64 Jurisdiction

I. The appellate board shall hear appeals from decisions of the appeal tribunal or final decisions of the commissioner under RSA 282-A:95. An appeal must be filed with the appellate board or, if filed by mail, postmarked within 14 calendar days of the date of mailing of:

(a) The commissioner's decision on a request for reopening or the final decision of the commissioner; or

(b) The appeal tribunal's decision on an appeal which had been remanded by the appellate board, in which case a request for reopening is not required.

II. The appellate board may allow a late appeal, if, in its opinion, good cause exists.

III. The review by the appellate board shall be confined to the record. No evidence shall be received. The appellate board shall provide all parties and the commissioner with a tape recording of the appeal tribunal; however, the appellate board chair may require a transcription of the first level hearing. In such case a copy shall be provided to all parties. The commissioner shall provide the appellate board with a copy of all other department records relating to the claim.

IV. The appellate board may decline to review any appeal which presents no substantial question within the appellate board's jurisdiction as set forth in RSA 282-A:65.

282-A:65 Reversal, Modification or Affirmation

The appellate board shall not substitute its judgment for that of the commissioner or appeal tribunal as to the weight of the evidence on questions of fact, or as to the prudence or desirability of the determination. The appellate board shall reverse or modify the decision or remand the case for further proceedings only if the substantial rights of the appellant had been prejudiced because the findings, inferences, conclusions, or the decision is:

I. In violation of constitutional or statutory provisions; or

II. In excess of the statutory authority of the department of employment security; or

III. Affected by reversible error of law; or

IV. Affected by fraud; or

V. Affected by the absence of newly discovered evidence, which was not available to the affected party upon reasonable search at the time of the first level hearing, in which case the appeal shall be remanded to the appeal tribunal.

Otherwise, the appellate board shall affirm the order.
282-A:66 Quorum, Sessions, Exclusivity

I. The appellate board, while in session, shall consist of 3 members designated by the chair. No 2 members shall be from the same category of representation. In addition, for appeals of final decisions of the commissioner under RSA 282-A:95, the members shall consist of the chair or vice-chair, one business management representative, and one labor representative. Any party aggrieved by a decision of the appeal tribunal may appeal. The parties to such appeal shall be the claimant, all interested parties as defined in this chapter, and the commissioner. The appellate board shall adopt rules of procedure pursuant to RSA 541-A. It shall not require written briefs. The appellate board shall:

   (a) Render a written decision within 15 business days of the hearing; or

   (b) Adopt the decision of the appeal tribunal.

II. The appellate board shall sit in Concord, or any other area designated by the chair, and shall hold sessions at least monthly for the purpose of hearing arguments, making orders, rendering decisions and filing opinions.

III. The appellate procedures provided by this chapter shall be exclusive.

282-A:67 Administrative Reconsideration and Judicial Review

I. An interested party who is aggrieved by the decision of the appellate board or the commissioner, may within 20 days of the date of mailing of the board's decision request that the board reconsider its decision or that the board order a new hearing specifying in the request the grounds therefor. The appellate board shall within 30 days deny or grant the motion for reconsideration or order a new hearing.

II. An interested party who has exhausted all administrative remedies within the department and who is aggrieved by a final decision of the appeal tribunal as reversed, modified, or affirmed by the appellate board after a motion for reconsideration is granted or denied or after the decision on rehearing, may appeal that decision to the supreme court, but only if the notice of that appeal is filed with the court within 30 days after the date of mailing of the decision from which the appeal is taken and the notice of appeal is served upon the commissioner and the attorney general contemporaneously with the filing of that notice of appeal with the court. In addition, that notice of appeal shall be served upon all parties of record. The service required by this section may be in person or by certified mail, return receipt requested. The appeal shall be styled “appeal of name of the party filing the appeal regarding unemployment compensation”. Any interested party, and the state, shall have a right to participate as a party in the appellate proceedings before the court. The notice of appeal shall specifically identify each error for which review is sought. The filing of a notice of appeal shall not stay enforcement of the appeal tribunal decision.

III. Within 60 days after the service of the notice of appeal upon the commissioner, or within such further time allowed by the court, the commissioner shall transmit to the court a certified copy of the entire record of the proceeding. By stipulation of all parties to the review proceeding, the record
may be shortened. If the record is shortened by stipulation, the court may subsequently require additional portions of the record certified.

IV. The review of the court shall be confined to the record. No evidence shall be received in the court. The court may require oral argument or written briefs, or both.

V. The court shall not substitute its judgment for that of the appeal tribunal as to the weight of the evidence on questions of fact. The court shall reverse or modify the decision of the appeal tribunal, or remand the case for further proceedings, as determined by the court, only if the substantial rights of the appellant had been prejudiced because the administrative findings, inferences, or conclusions are:

(a) In violation of constitutional or statutory provisions;
(b) In excess of statutory authority;
(c) Made upon unlawful procedures;
(d) Clearly erroneous in view of the substantial evidence on the whole record; or
(e) Affected by other error of law.

Otherwise, the court shall affirm the appeal tribunal's decision.

VI. For the purposes of this section the commissioner shall be an interested party.

**282-A:68 Exclusivity**

The judicial review provided by RSA 282-A:67 shall be exclusive of all other methods of judicial review of unemployment compensation decisions, including extraordinary writs, including the writ of certiorari. No unemployment compensation decision shall be questioned, invalidated, vacated, set aside, suspended, or otherwise impeached by any court or other tribunal except in accordance with the provisions of this section and RSA 282-A:67.

**Contributions**

**282-A:69 Payment of Contributions**

I. Contributions shall accrue and become payable by each employer for each calendar year, in which the employer is subject to this chapter, in an amount equal to 2.7 percent, except as otherwise provided in RSA 282-A:79-90, of the wages paid or payable for employment during such calendar year, not to exceed $14,000 which have been paid to an individual in any calendar year. Such contributions shall become due and be paid by each employer to the commissioner of the
department of employment security for the fund in accordance with such rules as the commissioner of the department of employment security may adopt and shall not be deducted, in whole or in part, from the wages of individuals in such employer's employ; provided that the contributions of an employer becoming subject to the law within any calendar year shall be first due and payable after such employer has satisfied the conditions with respect to becoming an employer. For the purposes of this section, the term “wages” shall include service subject to contribution under any employment security law of another state.

II. Notwithstanding this section, any organization or group of organizations, described in section 501(c)(3) and exempt under section 501(a) of the Internal Revenue Code or Indian tribe as defined in RSA 282-A:8, VIII, which becomes an employer under this act, may elect to change its status either to reimburse in the manner provided for the state in RSA 282-A:70 or to pay contributions as hereinabove provided. The change in status shall be irrevocable for 3 calendar years. Thereafter the employer may elect to change its status no later than January 1, for any year, but such new change in status shall be irrevocable for 3 calendar years. Any 2 or more of such employers or any 2 or more cities, towns, counties or other political subdivisions of this state may elect, for a period of not less than 3 years, to pool their separate accounts under such rules as may be adopted by the commissioner, including appropriate bonding and fiscal safeguard requirements, and each unit shall be jointly and severally liable for payments due.

III. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to 1/2 cent or more in which case it shall be increased to one cent.

IV. A contribution, as defined in RSA 282-A:152, I shall not be considered due for any purpose under this chapter from an employer required to pay contributions under this chapter when the total amount due is less than one dollar.

V. The following provisions shall apply to Indian tribes electing to make payments in lieu of contributions:

(a) At the discretion of the commissioner, any Indian tribe that elects to become liable for payments in lieu of contributions shall be required within 30 days after the effective date of its election, to:
   (1) Execute and file with the commissioner a surety bond approved by the commissioner; or
   (2) Deposit with the commissioner money or securities on the same basis as other employers with the same election option.

(b) Failure of the Indian tribe to make required payments, including assessments of interest and penalty, within 90 days of receipt of the bill will cause the Indian tribe to lose the option to make payments in lieu of contributions for the following tax year unless payment in full is received before the contribution rate for the next tax year is computed.

(c) Any Indian tribe that loses the option to make payments in lieu of contributions due to late payment or nonpayment shall have such option reinstated if, after a period of one year, all contributions have been made timely, provided no contributions, payments in lieu of contributions for benefits paid, penalties, or interest remain outstanding.
(d) Failure of the Indian tribe to make required payments, including assessments of interest and penalty, after all collection activities deemed necessary by the commissioner have been exhausted, will cause services performed for such tribe to not be treated as employment for purposes of this section.

(e) The commissioner may determine that any Indian tribe that loses coverage under subparagraph (d) may have services performed for such tribe again included as employment for purposes of RSA 282-A:9 if all contributions, payments in lieu of contributions, penalties and interest have been paid.

(f) The commissioner shall notify the United States Internal Revenue Service and the United States Department of Labor of any termination or reinstatement of coverage made under subparagraphs (d) and (e).

(g) Notices of payment and reporting delinquency to Indian tribes shall include information that failure to make full payment within the prescribed time frame:

(1) Shall cause the Indian tribe to be liable for federal unemployment tax;

(2) Shall cause the Indian tribe to lose the option to make payments in lieu of contributions; and

(3) Could cause the Indian tribe to be excepted from the definition of employer, as provided in RSA 282-A:8, and services in the employ of the Indian tribe to be excepted from employment.

(h) Extended benefits paid that are attributable to service in the employ of an Indian tribe and not reimbursed by the federal government shall be financed in their entirety by such Indian tribe.

282-A:70 Payment of Contributions by State

The liability of this state including the state university system for benefits paid shall be as follows:

I. In lieu of contributions required of other employers subject to this chapter, the state shall pay into the unemployment compensation fund an amount equivalent to the amount of benefits, including extended benefits, paid to claimants who during the applicable period were paid wages by this state. If a claimant during such base period was employed by this state and by other employers subject to the provisions of this chapter, the amount to be paid into the unemployment compensation fund by this state with respect to such claimant shall be prorated pursuant to RSA 282-A:72.

II. The amount of payments required under this subdivision to be made into the fund shall be ascertained by the commissioner of the department of employment security as soon as practicable after the end of each calendar month and shall, except as provided hereafter, be paid by the commissioner of administrative services from funds appropriated therefor; provided that, if said appropriation is not sufficient to make all such payments or no appropriation is made therefor, they shall, upon warrant by the governor, be paid from the general funds of the state, out of any money not otherwise appropriated.
If a claimant to whom benefits were paid was paid wages by the state during the base period from a special administrative fund provided for by law, into which moneys, in addition to, or other than from the state treasury, are placed, the payment into the unemployment compensation fund shall be made from such special administrative fund in the regular manner provided for disbursing such money.

III. The payment by the state into the unemployment compensation fund shall be made at such times and in such manner as the commissioner of the department of employment security, with the approval of the commissioner of administrative services, may determine and prescribe.

### 282-A:71 Payment of Contributions by County, City, Town or Other Political Subdivisions of This State

I. A county, city, town or other political subdivision which becomes an employer under this act shall pay into the unemployment compensation fund an amount equivalent to the amount of benefits paid to claimants who during the applicable base period were paid wages by such county, city, town or other political subdivision. If a claimant during such base period was employed by both such county, city, town or other political subdivision and other employers subject to the provisions of this chapter, the amount to be paid into the fund by such county, city, town or other political subdivision with respect to such claimant shall be prorated pursuant to RSA 282-A:72. The amount of payments required under this subdivision to be made into the fund shall be ascertained by the commissioner of the department of employment security as soon as practicable after the end of each calendar month. The payments by such county, city, town or other political subdivision into the fund shall be made at such times and in such manner as the commissioner of the department of employment security may determine and prescribe. A county, city, town or other political subdivision shall maintain a record of the social security account numbers of its employees.

II. In lieu of paragraph I, such county, city, town or other political subdivision may elect to change its status to pay contributions as provided for other employers. Such change in status shall be for not less than 3 years and shall be made by August 21, 1979, or before January 1 of the applicable year. Thereafter, the political subdivision may elect to change its status no later than January 1, for any year, but such new change in status shall be irrevocable for 3 calendar years.

III. Sums appropriated by a county, city, town or other political subdivision to meet the obligations imposed by this chapter shall not be transferred or used for any other purpose, and such sums or the unused balance of such sums shall lapse at the end of each fiscal year.

### 282-A:72 Proration of Reimburser Charges

If the base period wages of an individual include wages from one or more reimbursing employers and one or more additional employers, reimbursing or taxpayer, benefits paid to such individual shall be charged to any such reimbursing employer in the same proportion as the wages from such reimbursing employers bears to the total amount of all wages in the individual’s base period. Any benefits not charged to a reimbursing employer shall be charged to the most recent employer or as otherwise required by RSA 282-A.
282-A:73 Credit for Other Funds Received

I. The state and all other employers who have reimbursed the unemployment compensation fund for benefits paid shall be given a credit against future billing, or, in whole or in part, shall be given a refund at the discretion of the commissioner in an amount equal to the amount of such benefits which are repaid to the unemployment compensation fund from any other source.

282-A:74 Separate Accounts; Chargeable Account

I. The commissioner shall maintain a separate account for each employer and shall credit his account with all contributions timely paid by him or on his behalf; but nothing in this chapter shall be construed to grant any employer or any individual in his service prior claims or rights to the amounts paid by him into the fund, either on his own behalf or on behalf of such individuals.

II. Benefits paid to an eligible individual shall be charged against the account of the claimant's most recent employer, including 1/2 of such benefits as are paid to an individual under RSA 282-A:30, except whenever benefits are paid and a chargeable employer under this paragraph has not been established following a determination that an individual previously disqualified under RSA 282-A:32, but now eligible due to having earned wages in employment as required by RSA 282-A:32, I, the fund shall be chargeable.

282-A:75 Fund Chargeable

In assigning the charges for benefits to the account of the most recent employer under this subdivision, no benefits shall be charged to the account of an individual employer but shall be charged by the commissioner against the fund where:

I. Benefits are paid and are not chargeable against any employer's account in accordance with the provisions of RSA 282-A:42 and RSA 282-A:44-52;

II. Benefits are paid to a claimant as provided in RSA 282-A:165, II;

III. Benefits are paid to an individual by reason of RSA 282-A:31, III; or

IV. Benefits are paid to an individual by reason of RSA 282-A:32, I(a)(2), (3), (4), (5), or (6).
282-A:76 Overpayments Chargeable to Fund

The account of the most recent employer shall immediately be relieved of charges where benefits are determined to be overpayments as a result of the application of any provision of this chapter, and such benefits shall be charged against the fund, unless the overpayment was caused by error of the employer; in such case, benefits shall be charged to the fund in an amount equal to the benefits that have been repaid from any source to the unemployment compensation fund.

282-A:77 Monthly Notification

At least once each month the commissioner shall notify all employers of benefits charged during the preceding month to their separate accounts by means of a duplicate or copy of each such claimant's benefit checks or in any manner determined by the commissioner.

282-A:78 More Than One Employer Simultaneously

The commissioner shall prescribe the manner in which benefits shall be charged against the accounts of several employers for whom an individual performed employment at the same time. “Performed employment” for purposes of this section shall include the receipt of wages or earnings found to apply to such time period pursuant to RSA 282-A:14, III(a).

282-A:79 Merit Rating

The commissioner shall classify employers for each calendar year in accordance with their actual experience in the payment of contributions on their own behalf and with respect to benefits charged against their accounts, with a view to fixing such contribution rates as will reflect such experience, such rate to become effective with the fiscal year beginning July 1, 1951, and on each succeeding fiscal year beginning on July 1 thereafter.

282-A:80 Definitions

I. "Annual payroll' shall be the total amount of taxable wages under this chapter paid for employment during a calendar year.
II. "Average annual payroll' shall be the average of the employer's actually existing annual payrolls for the 3 immediately preceding consecutive calendar years prior to January 1 of the year in which the computation applies.

II. There shall be subtracted in any calendar quarter from every employer's contribution rate one percent whenever the unemployment compensation fund equals or exceeds $350,000,000 throughout the next preceding calendar quarter.

III. There shall be subtracted in any calendar quarter from every employer's contribution rate 1.5 percent whenever the unemployment compensation fund equals or exceeds $400,000,000 throughout the next preceding calendar quarter.

II. There shall be added in any calendar quarter to every such employer's contribution rate one percent whenever the unemployment compensation fund fails to equal or exceed $350,000,000 throughout the next preceding calendar quarter.

III. No employer assigned an earned rate under RSA 282-A:87, II or II-a shall be assigned a rate less than the maximum in that paragraph for any fiscal year effective with the fiscal year beginning July 1, 1995, unless as of April 30 preceding said fiscal year the employer has properly and duly submitted reports and contributions previously due under this chapter.

**282-A:86 Computation Date**

I. The computation date shall be January 31. The total for all past years of all benefits charged as of the computation date against an employer's separate account shall be subtracted from the total of all contributions paid on an employer's own behalf and credited as of the computation date to the employer's separate account for all past years. Delinquent contributions received after January 31, 1997, shall be credited to the employer's separate account on the next computation or recomputation date.

III. Commencing with the computation date of January 31, 2010, if benefits so charged exceed contributions so credited, and benefits so charged have exceeded contributions so credited for 3 or fewer consecutive computation dates including the computation date of January 31, 2010, the excess shall be computed as a percent of the employer’s average annual payroll, which percent shall determine the contribution rate as provided in RSA 282-A:87, II.

### III. [Repealed.]

### IV. (a) (1) Each employer subject to payment of contributions pursuant to RSA 282-A:69, I shall have its rate reduced by 2/5 of one percent beginning in the fourth quarter of 2019. An administrative contribution equal to the amount of this reduction shall be paid by all such employers.

(2) Commencing January 1, 2020, after deduction of all costs incurred in the collection of the administrative contribution, 1/3 of the quarterly administrative contribution collected, not to exceed $6,000,000 annually, shall be deposited each quarter in the fund established by RSA 282-A:182 and shall be expended only as provided by and for the purposes provided in that section and shall lapse to the unemployment trust fund account established in RSA 282-A:104, I(b) if unspent or
unencumbered at the end of the relevant program year. The remaining quarterly administrative contribution collected shall be divided so that the proportional share of the quarterly administrative contribution resulting from the increase over 2/10 of one percent shall be deposited in the unemployment compensation fund established in RSA 282-A:103 and the remaining amount deposited in the fund established by RSA 282-A:140 and shall be expended only as provided by and for the purposes provided in that section, and not for any other purpose.

(b) [Repealed.]

(c) All costs incurred in the collection of the administrative contributions shall be paid from funds derived from such contributions.

(d) The commissioner shall report to the advisory council on unemployment compensation quarterly all moneys collected and amounts expended. When, in the opinion of the commissioner with the advice and consent of the advisory council on unemployment compensation, sums collected exceed anticipated expenditures, the commissioner shall transfer such excess funds to the unemployment compensation fund established under RSA 282-A:103.

(e) [Repealed.]

(f) Each employer's separate account established under RSA 282-A:103 shall be credited with available interest earned by the unemployment compensation trust fund in an amount equal to timely administrative contributions collected pursuant to subparagraph (a).

282-A:88 Election

Notwithstanding any other provision of this chapter, an employer whose contribution rate is determined to be 3.5 percent or more may, on or before a computation date, elect to have his contribution rate thereafter computed on each computation date solely on the then most recent 5 calendar years' experience. Such election by an employer shall be irrevocable. Provided, that in the event of such election, no rate shall be assigned lower than 2.7 percent at any time thereafter.

282-A:89 Recomputation

Except as otherwise provided in this subdivision, whenever through inadvertence, mistake or any other means erroneous charges or credits are found to have been made to an employer's account, the same shall be readjusted as of the date of discovery. Such readjustment shall not affect any computation or rate assigned prior to the date of discovery, but there shall be an immediate recomputation, in accordance with the applicable provisions of this subdivision, of such employer's account with notice to the employer of the result thereof. If such recomputation results in a contribution rate either higher or lower than that rate in effect on the date of discovery, such new
rate shall become effective and applicable to taxable wages as of the first day of the quarter next succeeding the quarter in which the discovery is made.

### 282-A:90 Ineligible for Rate Reduction

No employer assigned a rate under RSA 282-A:87, II or II-a, shall be entitled to any such rate reductions occasioned by fund balances as are provided in RSA 282-A:79-89.

### 282-A:91 Successorship; Total Acquisition

An employing unit which acquires substantially all of the New Hampshire assets of any employer with the intent to continue said employer's organization, trade or business, excepting, in any such case, any assets retained by such employer incident to the liquidation of his obligations (whether or not such acquiring employing unit was an employing unit within the meaning of this chapter prior to such acquisition), shall within 30 days notify the commissioner thereof and shall assume, for the purpose of liability, the position of such employer with respect to such employer's separate account and contribution liability as if no change with respect to such separate account and liability had occurred and with the same effect for such purpose as if the operations of such employer had at all times been carried on by such employing unit. Such separate account shall be transferred by the commissioner to such employing unit and, as of the date of such acquisition, shall become the separate account or part of the separate account, as the case may be, of such employing unit. The benefits thereafter chargeable to such employer on account of employment prior to the date of such acquisition shall be charged to the former employer's separate account until the fact of successorship is determined by the commissioner and thereafter shall be charged to the account of the acquiring employing unit.

### 282-A:91-a Special Rules Regarding Transfers of Experience and Assignment of Rates.

I. Notwithstanding any other provision of law, the following shall apply regarding assignment of rates and transfers of experience:

(a) (1) If an employer transfers its trade or business, or a portion thereof, to an employing unit or to another employer and, at the time of the transfer, there is any common ownership, management, or control of the 2 employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. The rates of both employers shall be recalculated and made effective following the date of the transfer of trade or business in accordance with such rules as the commissioner may adopt.

(2) If, following a transfer of experience under subparagraph (1), the commissioner determines that a substantial purpose of the transfer of trade or
business was to obtain a reduced liability for contributions, then the experience rating of the employer accounts involved shall be combined and the combined rate assigned to each employer in accordance with such rules as the commissioner may adopt.

(b) Whenever a person who is not an employer under this chapter at the time he or she acquires the trade or business, or a portion thereof, of an employer, the unemployment experience of the acquired business shall not be transferred to such person if the commissioner finds that such person acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions. Instead, such person shall be assigned the new employer rate under RSA 282-A:81.

(c) In determining whether there is any common ownership, management, or control of 2 employers, the commissioner shall use objective factors which may include the extent of commonality or similarity of: ownership; any familial relationships; principals or corporate officers; organizational structure; day-to-day operations; assets and liabilities; and stated business purposes. Ownership of publicly-traded mutual funds, publicly-traded stocks, and similar publicly-traded investments shall not be indicative of common ownership, management, or control.

(d) In determining whether a substantial purpose of the transfer of trade or business was to obtain a reduced liability for contributions, the commissioner shall use objective standards which may include the cost of acquiring the business to which the experience was transferred, how long such business enterprise was continued after the transfer, the extent to which such business enterprise reduced its workforce following the transfer, the size of each employer’s workforce before and after the transfer, and the business activity conducted by each employer prior to, and after, the transfer.

(e) In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of contributions, the commissioner shall use objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(f) (1) If a person knowingly violates or attempts to violate subparagraph (a), (b), or any other provision of this chapter related to determining the assignment of a contribution rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

(A) If the person is an employer, such employer shall be assigned the highest rate assignable under this chapter for the rate year during which such violation or attempted violation occurred and the 3 rate years immediately following this rate year. However, if the person’s business is already at such highest rate for any year, or if the amount of increase in the person’s rate would be less than 2 percent for such year, then a penalty rate of contributions of 2 percent of taxable wages shall be imposed for such year.
(B) If the person is not an employer, such person shall be subject to a civil fine of not more than $5,000. Any such fine shall be deposited in the fund established by RSA 282-A:140. Such person shall also be jointly and severally liable with any liable employer for additional contributions and all related penalties, fees, interest, and costs owed as a result of the application of this section. Such person shall be subject to civil action for such liability in any manner provided for collection of contributions in RSA 282-A:141-156.

(2) In addition to other penalties imposed in this paragraph, any violation of this section may be prosecuted under RSA 282-A:166 or any other appropriate statute.

(g) The commissioner shall establish procedures to identify the transfer or acquisition of a business for purposes of this section.

(h) For purposes of this section:

(1) “Knowingly” means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(2) “Person” means “person” as defined in section 7701(a)(1) of the Internal Revenue Code of 1986.

(3) “Trade or business” includes the employer’s workforce.

(4) “Violates” or “attempts to violate” includes, but is not limited to, intent to evade, misrepresentation, and willful nondisclosure.

(i) The reporting by an employer of its payroll under the account of another employer with which there is no common ownership, management, or control, is prohibited unless the reporting employer is an employee leasing company lawfully making such report.

(j) A management company which contracts with any employer to report wages of managed employees shall be considered, in accordance with such rules as the commissioner may adopt, to have common management or control with such employer, and with any other management company with which the employer may contract for the same purpose in the future.

II. This section shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

**282-A:92 Contribution Rate**

No rate of less than 2.7 percent shall be permitted an employing unit succeeding to the experience of another employing unit pursuant to RSA 282-A:91-93 for any period subsequent to such succession except in accordance with rules adopted by the commissioner, which rules shall be consistent with federal requirements for additional credit allowance in section 3303 of the Internal Revenue Code of 1954 and consistent with the provisions of this chapter; except that such rules may
establish a computation date for any such period different from the computation date generally prescribed by this chapter.

### 282-A:93 Acquisition of Segregable Unit

I. Whenever any employing unit, whether or not an employing unit at the time, in any manner succeeds to, or has succeeded to, or acquires, or has acquired, a segregable portion of an employer's organization, trade, or business, and all of the assets of that employer devoted to that segregable portion, with the intent to continue the organization, the trade and the business of that segregable portion, it may assume for all purposes the position of such employer with respect to such employer's separate account and contribution liability to the extent such separate account and contribution liability is assignable to such segregable unit.

II. If such succeeding employing unit is at the time of acquisition an employer, it shall continue to pay contributions at the rate assigned to it until the end of the then current tax year.

III. If such succeeding employing unit is not at the time of acquisition an employer, it shall pay contributions at the rate assigned to the transferring employer until the end of the then current tax year.

IV. No transfer of a portion of any employer's separate account shall be made under RSA 282-A:91-93 except upon application of the succeeding employing unit and waiver by the transferring employer of all its rights and interest in such segregable portion of its separate account. Application in writing together with the notarized waiver shall be filed with the commissioner within 30 days from the date on which the acquisition occurs.

V. For the purpose of RSA 282-A:91-93, “segregable unit” shall mean a separately maintained, housed and conducted establishment whose activities have been physically detached from the other plants, factories or premises of the employer and for which the employer has maintained separate books of account including payrolls. A unit shall be considered segregable only for the periods during which such separation of location and books of account are maintained.

No appeal shall be entertained by the commissioner unless received in his office or, if filed by mail, postmarked within 14 calendar days from the date on which the initial determination is mailed. If an appeal is not so filed, the initial determination shall, with the expiration of said period, become final and conclusive in all respects and for all purposes; provided that, if the commissioner finds sufficient grounds to justify or excuse delay, he may extend the time for filing the appeal.

282-A:96 Formal Hearing

I. A formal hearing on each such appeal shall be conducted according to the rules adopted by the commissioner, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure; and a complete record of such hearings shall be made and kept by the commissioner except that such record may be destroyed as provided in RSA 282-A:107-135. The record shall include the evidence, the commissioner's findings of fact and decision. A copy of the decision of the commissioner shall be sent by certified mail, return receipt requested, to the last address according to the records of the department, of each employing unit or employer affected thereby.

II. 282-A:98 Sole Remedy

The procedures set forth above shall be exclusive for the determination of all questions relating to the liability of employing units or employers or both except matters determined under RSA 282-A:42-68. The commissioner shall determine his own organization and methods of procedure in accordance with the provisions of this chapter. Not later than the thirtieth day of June of each year, the commissioner shall submit to the governor a report covering the administration and operation of this chapter during the preceding calendar year and shall make such recommendations for amendments to this chapter as he deems proper. Such reports shall include a balance sheet of the moneys in the fund in which there shall be provided, if possible, a reserve against the liability in future years to pay benefits in excess of the then current contributions, which reserve shall be set up by the commissioner in accordance with accepted actuarial principles on the basis of statistics of employment, business activity, and other relevant factors for the longest possible period. Whenever the commissioner believes that a change in contribution or benefit rates will become necessary to protect the solvency of the fund, he shall promptly so inform the governor and the legislature and make recommendations with respect thereto.

II. For the purpose of establishing and maintaining free public employment offices, the commissioner of the department of employment security is authorized to enter into agreements with the railroad retirement board, or any other agency of the United States charged with the administration of an unemployment compensation law, with any political subdivision of this state, or with any private, non-profit organization; and, as a part of any such agreement, the commissioner may accept moneys, services, or quarters as a contribution to the employment service account.

However, the provisions of RSA 541-A:29-a shall not apply to any federally funded program administered by the department to the extent that such default approval conflicts with federal law.

282-A:113 Unemployment Compensation Bureau, Employment Service Bureau and Economic and Labor Market Information Bureau

I. There shall be in the department of employment security 3 coordinate bureaus, the employment service bureau, the unemployment compensation bureau, and an economic and labor market information bureau, each of which shall be administered by a full-time salaried administrator who shall be subject to the supervision and direction of the commissioner of the department of employment security. Each bureau shall be responsible for the discharge of its distinctive functions. Each bureau shall be a separate administrative unit with respect to personnel, budget, and duties except so far as the commissioner of the department of employment security may find such separation impractical.

II. The commissioner of the department of employment security, through the employment service bureau, shall establish and maintain free public employment offices in such numbers and in such places as may be necessary for the proper administration of this chapter.

I. The commissioner of the department of employment security is authorized to employ all the necessary officers, accountants, clerks, agents, investigators, auditors and other persons necessary for the proper administration of this chapter and, under a classification plan, to fix the amount of their compensation according to the responsibility and difficulty of the work, quality and length of service, and other relevant factors, and to take such action as he deems necessary and appropriate to enable department personnel to participate in a plan similar to the government-wide service benefit plan.

II. Selection, retention and promotion of personnel, excepting those positions which by federal law need not be under a merit system of personnel administration, shall be on the basis of merit and shall include ability, efficiency, fitness, veterans' statutory preferences, an open competitive examination where feasible, training and experience.

III. No discrimination may be exercised against any person in recruitment, examination, appointment, training, promotion, retention, or any other personnel action, because of race, national origin, political or religious opinions or affiliations, or other non-merit factors.

IV. The commissioner shall fix the duties and powers of all department personnel and may authorize any such person to perform any of the functions of the commissioner under this chapter. The commissioner may, other statutes to the contrary notwithstanding, bond such persons and in such amounts as he, in his sole discretion, deems proper and necessary. The federal statutes and regulations, and standards promulgated by the United States office of personnel management, applicable to a merit system of personnel administration in state employment security agencies shall be applicable to the department. Each employing unit shall keep true and accurate work records for such periods of time and containing such information as the commissioner may by rules prescribe. Such records shall be open to inspection and subject to be copied or reproduced by the commissioner, or his authorized representatives in this state at any reasonable time and as often as may be necessary at a place selected by the commissioner. The commissioner may, at his discretion, notify any employer of the prospective benefit rights of any individual in his employ. The commissioner may upon petition for cause authorize such records as he requires be maintained to be physically located in a state other than New Hampshire; however, when such petition is allowed, such records may, in the sole judgment of the commissioner, be examined at the department administrative office in this state or at their location outside this state. Where examination occurs outside this state, a penalty equal to all costs attendant thereupon, solely as computed by the commissioner, shall be paid by the employer to the department.

282-A:117-a Employment Reports to Department of Employment Security; State Directory of New Hires

I. The commissioner shall, pursuant to an agreement with the department of health and human services which shall include payment of costs of administration, maintain a state directory of new hires. Any employing unit shall report to the department for entry into the directory:

II. An employing unit with employees in 2 or more states, which transmits reports magnetically or electronically, may comply with this section by designating one of the states as the state to which the reports will be transmitted. Such an employing unit shall notify the United States Secretary of the Department of Health and Human Services in writing as to which state is so designated.

III. An employing unit required to report under paragraph I shall mail or transmit a copy of the individual's W-4 form to the department or send all information required in paragraph V in a format acceptable to the department by electronic or magnetic tape or by any other means mutually agreed upon.

IV. The fund shall also include any moneys received from any agency of the United States or any other state as compensation for services or facilities supplied to such agency, any amounts received pursuant to any surety bond or insurance policy or from other sources for losses sustained by the unemployment compensation and employment service administration fund or by reason of damage to equipment or supplies purchased from moneys in such fund, and any proceeds realized from the sale or disposition of any such equipment or supplies which may no longer be necessary for the proper administration of this chapter. Such moneys shall be secured by the depositary by collateral in the full amount of the funds on deposit. Such security shall consist of (a) United States government obligations, direct or guaranteed and (b) direct obligations of the state of New Hampshire. Such collateral security shall be pledged at not to exceed the face value of the obligation and shall be kept separate and distinct from any collateral security pledged to secure other funds of the state.

If any moneys received after June 30, 1941, from the social security administration or its successor, the United States Department of Labor, under Title III of the Social Security Act, or any unencumbered balances in the unemployment compensation administration fund as of that date, or any moneys granted after that date to this state pursuant to the provisions of the Wagner-Peyser Act are found by the social security administration or its successor, the United States Department of Labor, because of any action or contingency, to have been lost or expended for purposes other than, or in amounts in excess of, those found necessary by the social security administration or its successor, the United States Department of Labor, for the proper administration of this chapter, it is the policy of this state that such moneys shall be replaced by moneys in the contingent fund established by RSA 282-A:140 or by moneys appropriated for such purpose from the general funds of this state to the unemployment compensation administration fund for expenditure as provided in RSA 282-A:138. Upon receipt of notice of such a finding by the social security administration or its successor, the United States Department of Labor, and in the event that there are insufficient funds in the contingent fund, as provided in RSA 282-A:140, the commissioner of the department of employment security shall promptly report the amount required for such replacement to the governor; and the governor shall at the earliest opportunity submit to the legislature a request for the appropriation of such amount. (c) For rents; equipment; supplies; motor vehicles and their maintenance; fees; costs of administration as specifically provided in this chapter; salaries; per diem and expense payments; and training and education, whether institutional, departmental or conference-type, of assistant claim representatives, appeal tribunal and advisory council members and full and part-time department employees and department officers, including attendance at and hosting conferences and meetings sponsored or participated in by the United States department of labor and also in the Interstate Conference of Employment Security Agencies.

II. The moneys in this fund may be used for any other purpose which upon request of the commissioner is found by the governor and council to be in furtherance of the administration of this chapter. Moneys, as determined by the commissioner, in this fund shall not be expended or
available for expenditure in any manner which would permit their substitution for (or a corresponding reduction in) federal funds which would, in the absence of said moneys, be available to finance expenditures for the administration of this chapter. This fund shall be used by the commissioner for the payment of costs of administration which are found not to have been properly and validly chargeable against federal grants (or other funds) received for or in the unemployment compensation and employment service administration fund on or after May 11, 1949. The moneys in this fund are hereby specifically made available to replace, within a reasonable time, any moneys received by this state pursuant to section 302 of the Social Security Act, as amended, which, because of any action or contingency, have been lost or expended for purposes other than, or in amounts in excess of, those necessary for the proper administration of this chapter.

If any employer subject to payment of contributions as provided in RSA 282-A:69, I, fails to file any required report on the date on which it is due, as prescribed by the commissioner of the department of employment security in a rule, the employer shall pay a fee for such failure equal to 10 percent of the contributions due thereon but not less than $25 for each such failure.

II. If any employer electing to reimburse the fund as provided in RSA 282-A:69, II fails to file any required report on the date on which it is due, as prescribed by the commissioner of the department of employment security in a rule, the employer shall pay a fee for such failure equal to .001 of the gross wages paid during the quarter covered by such report but not less than $25 for each such failure.

282-A:143 Property Lien

If any employer required to pay contributions under this chapter neglects or refuses to pay contributions after demand, the amount, together with all penalties, fees, and interest and any costs that may accrue becomes a lien in favor of the state upon all property and rights to property whether real or personal, belonging to the employer. The lien arises at the time demand is made by the commissioner and continues until the liability for the sum, with interest and costs, is satisfied. Certificates of release of such lien shall be issued on the satisfaction of the lien. For the purposes of RSA 282-A:141-155, "employer" in the case of corporations or limited liability companies includes the president, treasurer, members, or any other person in a managerial capacity of said corporation or limited liability company. No lien against real property under this section shall be effective until it is recorded at the registry of deeds for the county in which the real property lies. Liens against personal property shall be filed in the office of the secretary of state. Fees for recording and filing such liens and any certificates of release thereof shall be in accordance with RSA 478:17-g.

282-A:144 Injunction

Any employer or employing unit refusing or failing to make and file required reports or to pay any contributions, interest or penalties when due under the provisions of this chapter, after 10 days' written notice sent by the commissioner or his authorized representative to the employer's or employing unit's last known address by registered mail, may be enjoined from operating any business in the state while in violation of the provisions of this chapter upon the complaint of the commissioner of the department of employment security in the superior court of the county in which the employer or employing unit has or had a place of business within the state, and any temporary injunction enjoining the continuance of such business may be granted without notice. Such injunction may enjoin any employer or employing unit from operating his or its business until such reports or contributions (including interest and penalties) or both shall have been made and filed or paid. The provisions of this section shall be deemed as cumulative and in addition to any other provisions of this chapter relating to the collection of contributions by the commissioner.

282-A:145 Time Limitation

No action may be maintained under this chapter unless commenced within 6 years of the time the cause arose or 2 years after the department is put on notice that the cause exists, whichever is later.

282-A:146 Collection, Distraint

If, after due notice, any employer shall fail to make any payment of contributions or interest thereon, the amount due, with interest thereon pursuant to RSA 282-A:141, shall be collectible by any means provided by law for the collection of any tax due to the state of New Hampshire or to any subdivision thereof, including any means provided by RSA 80:2. Tax warrants referred to in
said chapter may be signed by either the commissioner of the department of employment security or the duly authorized counsel for such department.

### 282-A:147 Priorities Under Legal Dissolution or Distributions

In the event of any distribution of an employer's assets pursuant to an order of any court under the laws of this state, or any receivership, assignment for benefit of creditors, adjudicated insolvency, composition, or similar proceeding, contributions then or thereafter due shall be paid in full prior to all other claims except taxes and claims for wages of not more than $250 to each claimant, earned within 6 months of the commencement of the proceeding. In the event of any employer's adjudication in bankruptcy, judicially confirmed extension proposal, or composition, under the Federal Bankruptcy Act of 1898, as amended, contributions then or hereafter due shall be entitled to such priority as is provided in section 64(b) of that act, U.S.C., Title 11, section 104(b), as amended.

**Last Source:** 1981, 408:3, eff. Oct. 1, 1981.

### 282-A:148 Adjustment of Contribution by Compromise

I. The commissioner of the department of employment security may, with the approval of the attorney general, effect by written stipulation such settlement of the contribution or interest due under the provisions of this chapter as he or she may deem to be for the best interests of the state, and the payment of the sum so agreed upon shall be a full satisfaction of such contribution and interest.

II. Payment by a debtor of interest, penalties, fees, and legal costs due under the provisions of this chapter totaling $50 or less may be waived by the commissioner of the department of employment security as he or she may deem to be for the best interests of the state.

**Last Source:** 2003, 116:18, eff. Aug. 8, 2003.

### 282-A:149 Adjustments and Refunds

If not later than 4 years from the last day of the period with respect to which a payment of any contributions or interest thereon was made, or one year from the date on which such payment was made, whichever shall be the later, an employing unit or employer who has paid such contribution or interest thereon shall make application for an adjustment thereof in connection with subsequent contribution payments, or for a refund thereof because such adjustment cannot be made, and the commissioner shall determine that such contributions or interest or any portion thereof was erroneously collected, the commissioner shall allow such employing unit or employer to make an adjustment thereof, without interest, in connection with subsequent contribution payments by him; or, if such adjustment cannot be made, the commissioner shall refund said amount, without interest, from the fund, unless such payments are to be refunded from the contingent fund as provided in RSA 282-A:140. The commissioner, on his own initiative, may, in any case, for like cause and within the same period, allow either adjustment or refund, as he in his discretion may deem to be for the best interests of the state. Nothing in this chapter or in any part thereof shall be construed to
authorize any refund or credit of monies due and payable under the law and rules in effect at the
time such monies were paid. It being further provided that the amount to be refunded or adjusted
shall be reduced by the amount of unemployment compensation benefits which would not have
been paid except for the erroneously reported employment and wages.

**Last Source:** 1981, 408:3, eff. Oct. 1, 1981.

### 282-A:150 Jeopardy Assessment

I. If the commissioner believes that the collection of contributions will be jeopardized by delay, he
shall immediately assess on the basis of whatever information he may have such contributions
together with all interest and penalties, whether or not the time prescribed by RSA 282-A:69
through 98 and this subdivision or by the rules adopted by the commissioner for making return and
paying such contributions has expired. Such contributions, interest and penalties shall thereupon
become immediately due and payable; and immediate notice and demand, either in person or in
writing, shall be made by the commissioner or his duly authorized representatives for the payment
thereof. Upon failure or refusal to pay immediately such contributions, interest and penalties,
collection thereof by any means provided in this subdivision shall be lawful without regard to the
period prescribed in RSA 282-A:151 or by the rules of the commissioner and proceedings may also
be instituted under RSA 282-A:161-168 for such failure or refusal.

II. The collection of the whole or any part of the amount of such assessment may be stayed by filing
with the commissioner a bond in such amount as is equal to the amount to which the stay is desired
and with such sureties as the commissioner deems necessary conditioned on payment of the amount
collection of which is stayed, at the time at which, but for this section, such amount would be due.

III. An assessment under this section shall not finally fix the amount of such contributions, interest and
penalties. Where the amount due is subsequently discovered to be greater than that assessed, the balance
shall be collected by any means provided in this subdivision. If the amount due is subsequently
discovered to be less than that assessed, it shall be adjusted in the manner provided by RSA 282-A:149.

### 282-A:151 Failure of Employer to File Report of Contributions Due

I. If an employer shall fail to file a report for the purpose of determining the amount of contributions
due under this chapter, or if such report when filed shall be incorrect or insufficient and the
employer shall fail to file a correct or sufficient report within 20 days after the commissioner of the
department of employment security shall have required the same by written notice, the
commissioner shall determine the amount of contribution due, with interest thereon pursuant to
RSA 282-A:141, from such employer on the basis of such information as he may be able to obtain;
and he shall give written notice of such determination to the employer. Such determination shall
finally fix the amount of contribution unless the employer shall initiate an appeal in the manner
provided in RSA 282-A:94-98. The determination of the commissioner shall be deemed to be prima
facie correct, and the burden of proving error therein shall be upon the employer. Except for good
cause shown, no ground of error shall be considered unless set forth in the petition of appeal.
II. If on appeal the determination of the commissioner shall be confirmed, or the amount of the contribution originally determined by the commissioner shall be increased, the cost of such proceedings, as in civil actions, shall be assessed against the employer. No costs shall be assessed against the state on such appeal.

**Last Source:** 1981, 408:3, eff. Oct. 1, 1981.

### 282-A:152 Collection of State Contributions

I. Whenever used in this subdivision, unless the context shall otherwise require, or unless otherwise specifically provided, the word "contribution" shall include not only the principal of any contribution but also all interest, penalties, fees and other charges added thereto by law; and the term "serving officer" shall include any sheriff, deputy sheriff, constable or other officer authorized to serve any civil process. Delivery of written notice by an authorized representative of the commissioner shall be deemed proper service of process.

II. Upon the failure of any person to pay any contribution due to the state within 30 days from its due date, the commissioner of the department of employment security or his duly authorized representative charged by law with its collection shall add thereto such penalty or interest or both as shall be prescribed by law. The attorney general may collect any such contribution by a civil action, or the commissioner or his duly authorized representative charged by law with the collection of such contribution may make out and sign a warrant directed to any serving officer for distraint upon the goods, realty or body of such person. Each serving officer so receiving a warrant shall make return to the party making out such warrant within a period of 30 days from its receipt by him. To each warrant placed in the hands of any serving officer shall be attached an itemized bill, certified by the party making out such warrant to be a true and correct statement of the total amount of contribution due from such person. Any serving officer deputed to serve a warrant drawn under the provisions of this law shall, so far as such warrant is concerned, have, mutatis mutandis, all the powers vested in tax collectors and sheriffs under the provisions of RSA 80; shall proceed pursuant to the terms of one or more of said statutes; shall make return to the party making out such warrant within 10 days of the completion of service and shall collect from such person, in addition to the amount shown on such warrant, his fees and charges, which shall be those authorized by statute for serving officers, as in all other civil actions.

Any notice of garnishment served upon any employer shall be simultaneously served upon the individual debtor by first-class mail to his or her last known address. The department shall send the individual debtor by first-class mail to his or her last known address a notice of intent to garnish earnings 14 days before serving any notice of garnishment. No individual debtor shall be deemed under this section to have failed to pay any fraud overpayment due to the state within 90 days of the date that the determination creating the overpayment becomes final, if the debtor:

   (a) Has agreed to a payment plan approved by the department; and

   (b) Is in substantial compliance with such payment plan.

III. The notice of garnishment shall advise the individual debtor and individual debtor's employer:

   (a) Of the employer's obligation to provide one of the duplicate copies of the notice of garnishment to the individual debtor upon receipt;

   (b) Of the amount which may be garnished for any week;

This notice of garnishment requires your employer to garnish (take) some of your earnings for work and send them to the department of employment security to repay overpaid unemployment insurance benefits. Once earnings for a week have been garnished, you will not be able to get them back.

You have the right, at any time, to file for suspension (stopping) of this garnishment. If you file for suspension of garnishment, the department of employment security has the right to take you to court to ask a judge to decide how much, if any, of your earnings should be garnished. Instead of going to court, you and the department may be able to agree to a different amount of garnishment. If you want to file for suspension or make an agreement with the department, you must call the department of employment security at ____________.

V. The amount which may be garnished for each week shall be determined by the department based on the individual debtor's financial circumstances known to the department, including but not limited to the individual debtor's financial affidavit, if available.
VI. Garnishment under this section shall have priority over any other legal process under state law against the same earnings except withholding under RSA 458-B.

VII. In addition to the amount garnished under this section, the employer may add and retain a fee of $1.00 for each garnishment for the administrative cost incurred as a result of the garnishment procedures.

VIII. An employer shall:

(a) Provide one of the duplicate copies of the notice of garnishment to the individual debtor upon receipt;

(b) Apply the garnishment to any current or subsequent earnings paid 21 or more days after the date of issuance of the notice of garnishment;

(c) Not garnish for any week more than the amount allowed;

(d) Suspend garnishment of earnings paid not later than 8 days following receipt of notice from the department of the requirement to do so;

(e) Give priority to any amounts that the employer is obligated to withhold pursuant to RSA 458-B over amounts subject to garnishment under this section;

(f) Not allow the amount garnished pursuant to this section, including any fee added and retained under paragraph VII, when added to the amount withheld pursuant to RSA 458-B to exceed 25 percent of the individual debtor's weekly disposable earnings, or the amount by which the individual debtor's weekly disposable earnings exceed 50 times the minimum hourly wage as established by the Fair Labor Standards Act, whichever is less;

(g) Implement garnishment no later than the first payment of earnings that occurs 21 or more days after the notice was mailed;

(h) Treat the garnishment as binding upon the employer until payment in full is made of the total amount subject to garnishment;

(i) Send the garnished amount to the commissioner at the same time the individual debtor is paid;

(j) Notify the commissioner within 20 days of the individual debtor's termination of employment, and shall provide the individual debtor's last known address and the name and address of the present employer, if known.

(k) Be liable for the accumulated amount it should have garnished if it fails to garnish in accordance with the provisions of the notice.

IX. The employer shall be liable for an administrative fine of $100 per pay period for each individual debtor with respect to whom the employer has willfully failed to comply with the provisions of subparagraphs VIII(g) and VIII(j). For other willful violations of this section an administrative fine of not less than $100 or more than $500 may be imposed. Prior to
assessing such fine against the employer, the commissioner shall notify the employer of its
intent to assess the fine, the amount of the fine, the date by which the fine is payable, and
shall provide the employer with the opportunity to appeal the imposition of the fine.

X. An employer shall be guilty of a misdemeanor and subject to a fine of up to $1,000:

(a) For discharging, refusing to employ, or taking any disciplinary action against an
individual debtor because of the garnishment procedures.

(b) For failure to comply with the provisions of paragraph VIII.

XI. Notwithstanding the 90 day limitation in paragraph II an individual debtor may, subject to
the approval of the department, agree to voluntary garnishment at any time.

XII. An individual debtor may file for suspension of the notice of garnishment at any time. If the
individual debtor files for suspension of the notice of garnishment, the department may file a
motion for periodic payments in the Merrimack county sixth Circuit court seeking
establishment of an order for payments.

XIII. If an individual debtor files for suspension of the notice of garnishment, the department shall
suspend the notice of garnishment and advise any employer upon which the notice of
garnishment was served to suspend garnishment of earnings paid not later than 8 days
following receipt of notice to suspend.

XIV. If an individual debtor who filed for suspension of the notice of garnishment and the
department reach an agreement as to the amount which may be garnished for any week, the
department may issue a new notice of garnishment consistent with such agreement.

XV. Following the expiration of 90 days after the date a determination which finds an individual
debtor overpaid under RSA 282-A:164 becomes final, such determination with interest
under RSA 282-A:141, shall be for purposes of RSA 524:6-a the judgment of any circuit
court-district division in which the department files a motion for periodic payments.

XVI. Following the issuance of an order for payments by any circuit court-district division on any
overpayment due to the state under RSA 282-A:164 for more than 90 days, the department
may serve a notice of court-ordered garnishment upon any employer that owes, or may owe
in the future, earnings to such individual debtor. Any notice of court-ordered garnishment
served upon any employer shall be simultaneously served upon the individual debtor by
certified mail to his or her last known address. The amount which may be garnished for any
week shall not exceed that amount, applied weekly, deemed appropriate by the circuit court-
district division in its order for payments.

XVII. The notice of court-ordered garnishment shall advise the individual debtor and individual
debtor's employer:

(a) Of the information required by III(a)-(d) and (f)-(l) of this section; and

(b) Of the individual debtor's right to file a motion with the Merrimack county sixth
circuit court seeking a change in the amount of the payments based on a change
in financial circumstances;
XVIII. With respect to the individual debtor's right to file a motion with the Merrimack county sixth circuit court, the notice of court-ordered garnishment shall state as follows, in at least 12-point type:

This notice of court-ordered garnishment requires your employer to garnish (take) some of your earnings for work and send them to the department of employment security to repay overpaid unemployment insurance benefits. The amount of the garnishment is based on an order of the Merrimack county sixth circuit court. Once earnings for a week have been garnished, you will not be able to get them back.

You have the right, at any time, to file a motion with the Merrimack county sixth circuit court asking for the amount of the garnishment to be changed based on a change in your financial circumstances. If you want to file a motion, you should contact the Merrimack county sixth circuit court. Nothing in this paragraph prevents you and the department of employment security from agreeing to a greater or lesser amount of garnishment and filing the agreement with the Merrimack county sixth circuit court. If the department of employment security does not agree, you still have the right to file a motion.

XIX. The department may agree to a greater or lesser periodic amount than that amount deemed appropriate by the Merrimack county sixth circuit court in its order for payments, whether or not the individual debtor has requested a hearing before the court to obtain a change in the court's order, and any such agreement shall be filed with the Merrimack county sixth circuit court.

XX. Within 7 days of receiving written notice that the individual debtor has filed a motion to request a change in the court's order, the department shall suspend or modify its notice of court-ordered garnishment consistent with the individual's request to the court.

II. Service of such process shall be made by leaving a copy of the process in the hands of the secretary of state or in his office, and such service shall be sufficient service upon said employing unit; provided, that notice of such service and a copy of the process are forthwith sent by registered mail by the plaintiff to the defendant, and the defendant's return receipt and the plaintiff's affidavit of compliance therewith are appended to the writ and entered therewith. The secretary of state shall keep a record of all such processes, which shall show the date and hour of service.

282-A:154 Continuance of Action

The court in which the action is pending may order such continuances as may be necessary to afford the defendant reasonable opportunity to defend the action.

282-A:155 Interstate Collections

The courts of this state shall entertain actions in the name of the commissioner to collect benefits, contributions or interest thereon for which liability has accrued under the employment security law of any other state or of the federal government. The commissioner shall have the authority to collect any such debt by civil action in any manner provided for the collection of contributions in RSA 282-A:141-156.

282-A:156 Delinquent Payments

In addition to any other remedies under this subdivision, if the commissioner finds that any county, city, town or other political subdivision has become delinquent with respect to payments due under this chapter and following the commissioner's written request for such payment, has for 60 days thereafter refused or neglected to pay the amount due, the commissioner shall notify the commissioner of administrative services of such delinquency and the total amount due. The commissioner of administrative services shall authorize the transfer of such amount to the department of employment security from any funds which would otherwise be due from the state to such county, city, town or other political subdivision.

No employer shall directly or indirectly make or require or accept any deduction from wages to finance the employer's contributions required from him, or require or accept any waiver of any right hereunder by any individual in his employ. Any employer or officer or agent of an employer who violates any provision of this section shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person. Provided that this section shall not apply to agreements, waivers or releases entered into pursuant to reciprocal arrangements made under RSA 282-A:169-172.

282-A:158 Limitation of Fees

No individual claiming benefits shall be charged fees of any kind in any proceeding under this chapter by the commissioner of the department of employment security, or by his representative or by any court or by any officer thereof. Any person who violates any provision of this section shall be guilty of a misdemeanor.

282-A:159 Assignment or Attachment of Benefits; Child Support Obligations; Overissuance of Food Stamp Coupons; Income Tax Withholding

I. Any assignment, pledge, or encumbrance of any right to benefits which are or may become due or payable under this chapter shall be void. Such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy whatsoever provided for the collection of debt or taxes. Benefits received by any individual, so long as they are not mingled with other funds of the recipient, shall be exempt from any remedy whatsoever for the collection of all debts except debts incurred for necessaries furnished to such individual or such individual's spouse or dependents during the time when such individual was unemployed. Any waiver of any exemption provided for in this section shall be void except for child support obligations and food stamp overissuances as provided in RSA 282-A:31 and this section and, if the individual so elects, withholding of federal income tax under rules adopted by the commissioner.

II. The commissioner is authorized to pay a portion or all of the unemployment compensation otherwise payable to a claimant to any agency of the state or its political subdivisions which enforces child support obligations. The amount so paid shall be deemed to be paid to the claimant. No such payment shall be made hereunder unless the New Hampshire department of health and human services or another New Hampshire governmental agency:

(a) Submits to the commissioner of the department of employment security the claimant's authorization for such child support, or the order of any court or administrative agency of competent jurisdiction for such child support, equal to or exceeding the child support requested; and

(b) Pays monthly, in advance, to the department of employment security administration costs as determined by the commissioner.

III. The commissioner may, if it is in the best interest of the state, enter into agreements to pay to a state or the federal government a portion or all of the unemployment compensation otherwise payable to a claimant if unemployment compensation benefits have been found overpaid under such state or federal unemployment compensation law.

IV. (a) The commissioner is authorized to adopt rules under RSA 541-A and enter into an agreement with the department of health and human services to pay a portion or all of the unemployment compensation payable to an individual consistent with section 303(d)(1) and (2) of the Social Security Act and section 13(b)(1) of the Food Stamp Act of 1977, to notify the department of health and human services that an individual with an overissuance of food
stamp coupons has applied for unemployment compensation, and to withhold and deduct 
unemployment compensation otherwise payable in amounts consistent with the federal law 
and this paragraph. Amounts so withheld shall be deemed to have been paid to the claimant.

(b) No such deduction or payment shall be made under this paragraph unless the department 
of health and human services:

(1) Submits to the department of employment security an appropriate decision of an 
administrative agency or a court supporting the overissuance.

(2) Pays monthly, in advance, the department of employment security's 
administrative costs as provided for in the agreement.

282-A:160 Prohibition Against Discrimination

No person shall discriminate in any way against another person because of his appearance or 
intended appearance as a witness or party, or for giving or furnishing information in connection 
with any proceeding under this chapter or an appeal therefrom. Any person who violates any 
provision of this section shall be subject to the penalties provided in RSA 282-A:161-168.

Penalties

282-A:161 Generally

Whoever willfully makes a false statement or representation or knowingly fails to disclose a 
material fact to obtain or increase any benefit or other payment under this chapter, either for one's self, or for any other person, shall be guilty of:

I. A class A felony if the amount of the additional benefit received as a result of the misrepresentation is $1,000 or more.

II. A class B felony if the amount of the additional benefit received as a result of the misrepresentation exceeds $500 but is less than $1,000.

III. A class A misdemeanor in all other cases.

282-A:162 Out-of-State or Federal Benefits

Any individual who willfully makes a false statement or representation or knowingly fails to 
disclose a material fact before a representative of the department of employment security of the 
state of New Hampshire to obtain benefits under the laws of any other state or the federal
government shall be subject to the same provisions of this chapter as if he were claiming benefits under this chapter.

**282-A:163 Disqualification, Restitution, and Penalty**

I. Any individual who is convicted under RSA 282-A:161 shall be deemed disqualified from receiving benefits for one year from the date of such conviction.

II. All benefits received for any week or weeks directly affected by such false statement or representation or failure to disclose a material fact shall be deemed overpaid, and the court in all such cases shall order restitution in an amount equal to such overpayment, plus a penalty equal to 20 percent of such amount.

III. Payments of the 20 percent penalty on convictions made under this section on or before October 20, 2013 shall be deposited into the fund established in RSA 282-A:140.

IV. Payments of the 20 percent penalty on convictions made under this section on or after October 21, 2013 shall be divided with ¼ of such payments being deposited into the fund established in RSA 282-A:103.

**282-A:164 Restitution**

Any individual who willfully makes a false statement or representation or knowingly fails to disclose a material fact, whether before a representative of the department of employment security of the state of New Hampshire or in another state before a representative of the unemployment compensation agency of that state which is acting in the capacity of agent for the state of New Hampshire, to obtain or increase any benefit or other payment under this chapter, or under the laws of any other state or the federal government, either for such individual, or for any other person, may, in the discretion of the commissioner or his or her authorized representative, be determined to be disqualified for benefits for each week directly affected by the false statement or representation or failure to disclose a material fact. All benefits received for each week of such disqualification shall be deemed overpaid, and restitution in an amount equal to such overpayment plus a penalty equal to 20 percent of the overpaid benefits shall be ordered by the commissioner or his or her authorized representative. In addition to such disqualification, such individual shall be deemed ineligible to receive benefits for not less than 4 nor more than 52 consecutive weeks, beginning with the week in which the decision is made, as determined by the commissioner or his or her authorized representative. For each week of determined ineligibility, an amount equal to the individual's maximum weekly benefit rate during such week shall be deducted from the maximum benefits available to the individual during the benefit year in which such week falls; but no change shall be made in his or her weekly benefit amount because of this deduction. Payments of the 20 percent penalty on determinations made under this section on or before October 20, 2013 shall be deposited into the fund established by RSA 282-A: 140. Payments of the 20 percent penalty on determinations made under this section on or after October 21, 2013 shall be divided with ¼ of such payments...
being deposited into the fund established by RSA 282-A:140 and ¾ of such payments being deposited into the unemployment compensation fund established in RSA 282-A:103. Any proceeding or action taken under this section shall be in lieu of and not in addition to any proceeding or action taken under RSA 282-A:161.

282-A:165 Overpayments

I. Any person who has received any benefits under this chapter while any conditions for the receipt of benefits imposed by this chapter were not fulfilled or while the person was disqualified from receiving benefits shall be liable to repay to the commissioner such benefits all of which shall be considered to be overpayments.

II. Liability shall not exist where the person receiving benefits is without fault in causing the overpayment as defined by the rules of the commissioner.

III. No such overpayment shall exist unless a determination has been made by the commissioner or an authorized representative setting forth the facts causing the creation of the overpayment and notice of such determination has been sent to the claimant who may appeal in the manner set forth in RSA 282-A:42-68. Such determination shall be made within 2 years of the weeks affected thereby and shall include notice of the compromise process under RSA 282-A:29.

IV. The commissioner shall collect any overpayment created under this chapter by civil action in any manner provided for the collection of contributions in RSA 282-A:141-156 and shall withhold, in whole or in part as determined by the commissioner, any future benefits payable to the individual and shall credit such amount withheld against the overpayment until it is repaid in full.

282-A:166 Falsity by Employer

c) Class A misdemeanor in all other cases.

III. The court in all such cases shall order such payment to be made or report to be completed and may suspend part of its sentence on condition of said performance.

282-A:166-a Penalties for Failure or Refusal to Make Contributions or Reports

In the discretion of the commissioner or an authorized representative, violations of RSA 282-A:166, I(c) and (d) may subject the person to a penalty of not less than $100 or more than the amount of the contributions then or subsequently determined by the commissioner to be due. For violations of all other subparagraphs of RSA 282-A:166, I, a penalty of not less than $100 nor more than $500 may be imposed. All penalties imposed under this section shall be in addition to late filing fees and interest charges due under other sections of this chapter. Any proceeding or action taken against a person under this section shall be in lieu of and not in addition to any proceeding or action taken under RSA 282-A:166. Persons found subject to this section may appeal in the manner set forth in RSA 282-A:95-98.

282-A:167 General Penalty

Any violator of any provision of this chapter, or of any order or rule thereunder, for which a penalty is neither prescribed above nor provided by any other applicable statute, shall be guilty of a misdemeanor; and each such violation shall constitute a separate and distinct offense.

282-A:168 Recovery for Another State

On request of an agency of another state which administers an employment security law and which has found, in accordance with the provisions of such law, that an individual is liable to repay benefits received under such law, the commissioner may collect from such individual the amount of such benefits, to be refunded to such agency; and such amounts may be collected by civil action in the name of the commissioner acting as agent for such agency.

Reciprocal Arrangements

282-A:169 Reciprocal Arrangements

The commissioner of the department of employment security is hereby authorized to enter into reciprocal arrangements with appropriate and duly authorized agencies of other states or of the federal government, or both, whereby:

I. Services performed by an individual for a single employing unit for which services are customarily performed by such individual in more than one state shall be deemed to be services performed entirely within any one of the states:

   (a) In which any part of such individual's service is performed, or
   (b) In which such individual has his residence, or
   (c) In which the employing unit maintains a place of business, provided there is in effect, as to such services, an election by an employing unit with the acquiescence of such individual, approved by the agency charged with the administration of such state's unemployment compensation law, pursuant to which services performed by such individual for such employing unit are deemed to be performed entirely within such state.

II. Potential rights to benefits under this chapter may constitute the basis for the payment of benefits by another state or the federal government, and potential rights to benefits accumulated under the law of another state or the federal government may constitute the basis for the payment of benefits by this state. Such benefits shall be paid under such provisions of this chapter or under the provisions of the law of such other state or the federal government, or under such combination of the provisions of both laws, as may be agreed upon and which will be fair and reasonable as to all
affected interests. No such arrangement shall be entered into unless it contains:

(a) Provision for reimbursement to the fund for such benefits as are paid on the basis of wages and service subject to the law of another state or the federal government, and

(b) Provision for reimbursement from the fund for such benefits as are paid by another state or the federal government on the basis of wages and service subject to this chapter. Reimbursements paid from the fund pursuant to this paragraph shall be deemed to be benefits for the purposes of this chapter.

III. Wages or services, upon the basis of which an individual is entitled or may become entitled to benefits under an unemployment compensation law of another state or of the federal government, shall be deemed to be wages for insured work for the purpose of determining his rights to benefits under this chapter; and wages for insured work, on the basis of which an individual is entitled or may become entitled to benefits under this chapter, shall be deemed to be wages or services on the basis of which unemployment compensation is payable under such law of another state or of the federal government; but no such arrangement shall be entered into unless it contains:

(a) Provisions for reimbursements to the fund for such of the benefits paid under this chapter upon the basis of such wages or services, and

(b) Provisions for reimbursements from the fund for such of the compensation paid under such other law upon the basis of wages for insured work, as the commissioner of the department of employment security finds will be fair and reasonable as to all affected interests.

IV. Contributions due under this chapter with respect to wages for insured work shall for the purposes of RSA 282-A:141-156 be deemed to have been paid to the fund as of the date payment was made as contributions therefor under another state or federal unemployment compensation law, but no such arrangement shall be entered into unless it contains provisions for such reimbursement to the fund of such contributions as the commissioner of the department of employment security finds will be fair and reasonable as to all affected interests.

V. The department of employment security may administer, at no cost to this state, as an agent of the United States of America, employment security and related programs authorized by the Congress of the United States and, pursuant thereto, may receive and disburse federally granted moneys. All the power and authority otherwise granted in this chapter to the commissioner shall equally apply under this provision. The commissioner may create outside the state treasury such special funds, the moneys in which shall not lapse at any time or be transferred to any other fund, except as permitted by federal law, as he determines necessary to carry out the purposes of this provision. Moneys granted by the federal government for payment of department personnel salaries and expenses, supplies, equipment and rent and such other expenses as are approved by the federal agency to carry out any agreement shall be deposited in the unemployment compensation and employment service administration fund provided by this chapter. The treasurer, as provided in RSA 282-A:103-106, shall be the treasurer of such fund as is created hereunder, and it shall be safeguarded in such manner as may be required by federal law. The cost of any bond required by any federal agency shall be paid from the unemployment compensation and employment service administration fund created by this chapter.

282-A:170 Reimbursement

Reimbursements paid from the fund pursuant to any reciprocal arrangements authorized by the provisions of this chapter shall be deemed to be benefits for the purposes of this chapter; except that no charge shall be made to an employer's account under RSA 282-A:69-98:

I. In excess, for any week or weeks, of the benefits which would have been payable but for this section; or

II. In excess of the maximum benefits payable under RSA 282-A:24-41; or

III. When no benefits would have been payable to an individual, but for this subdivision, because of the lack of wages for insured work necessary to qualify for benefits. In the event that no charge is to be made to an employer's account such as hereinabove provided, such reimbursements shall be charged against the fund. The commissioner of the department of employment security is authorized to make to other state or federal agencies, and to receive from such other state or federal agencies, reimbursements from or to the fund in accordance with arrangements entered into pursuant to RSA 282-A:169.

282-A:171 New Findings

If, after entering into an arrangement under RSA 282-A:169, II or III, the commissioner of the department of employment security finds that the unemployment compensation law of any state or of the federal government participating in such arrangement has been changed in a material respect, the commissioner shall make a new finding as to whether such arrangement shall be continued with such state or states or with the federal government.

282-A:172 Combining Employment

The commissioner shall participate in any arrangements for the payment of unemployment compensation on the basis of combining an individual's wages and employment covered under this chapter with his wages and employment covered under the unemployment compensation laws of other states or of the United States of America or of both:

I. Which are approved by the United States Secretary of Labor in consultation with the state unemployment compensation agencies as reasonably calculated to assure the prompt and full payment of unemployment compensation in such situations, and

II. Which include provisions for

(a) Applying the base period of a single state law to a claim involving the combining of an individual's wages and employment covered under 2 or more state unemployment compensation laws or a federal unemployment compensation law, and
(b) Avoiding duplicate use of wages and employment by reason of such combining.

**282-A:173 Suspension and Termination**

If at any time the governor shall find:

I. That the provisions of this chapter requiring the payment of contributions and benefits have been held invalid under the constitution of this state by the supreme court of this state or under the United States Constitution by the Supreme Court of the United States in such manner that any person or concern required to pay contributions under this chapter might secure a similar decision, or

II. That the tax imposed by the Federal Unemployment Tax Act, as amended, or any other federal tax against which contributions under this chapter may be credited, has been amended or repealed by Congress or has been held unconstitutional by the Supreme Court of the United States with the result that no portion of the contributions required by this chapter may be credited against such federal tax, the governor shall publicly so proclaim; and, upon the date of such proclamation, the provisions of this chapter requiring the payment of contributions and benefits shall be suspended.

The commissioner of the department of employment security shall thereupon requisition from the unemployment trust fund all moneys therein standing to its credit and shall direct the state treasurer to deposit such moneys, together with any other moneys, in the fund, as a special fund in any bank or public depositories in this state in which general funds of the state may be deposited, and to hold such moneys for such disposition as the legislature may prescribe.

All the rights, privileges, or immunities conferred by this chapter or by acts done pursuant thereto shall exist subject to the power of the legislature to amend or repeal this chapter at any time.

**282-A:175 Federal Minimum Standards**

In the event that the Congress of the United States should pass any legislation establishing certain minimum standards directing the states to make such changes in their various laws as may be necessary to bring them into conformity with such minimum standards, the commissioner of the department of employment security, or his duly authorized representative, is hereby authorized to make such revision as may be necessary to cause the provisions of this chapter to conform with such minimum standards. If any of the provisions of this section or the application thereof to any
persons or circumstances are held invalid, the remainder of this chapter in the application of this section to other persons or circumstances shall not be affected thereby.

### 282-A:177 Administration

The provisions of RSA 282-A:103-106, relative to the unemployment compensation fund, and of RSA 282-A:138-140, relative to the unemployment compensation and employment service administration fund, to the contrary notwithstanding, the commissioner of the department of employment security is authorized to requisition and receive from this state's account in the unemployment trust fund in the treasury of the United States, in the manner permitted by federal law, such moneys standing to its credit in said fund as are permitted by federal law to be used for expenses of administering the provisions of this chapter and to expend such moneys for such purpose. The state treasurer shall be the custodian of the amounts of money so requisitioned and received. He shall administer such fund in accordance with the directions of the commissioner of the department of employment security and such rules as the commissioner may adopt not inconsistent with federal law. The commissioner may enter into contracts and educational agreements with and for the employees of the department of employment security under such terms and conditions, which are consistent with federal requirements, as he deems advisable.

### 282-A:178 Agreement Authorized

I. The department of employment security, through its commissioner, is hereby authorized to enter into an agreement, effective April 3, 1975, with the secretary of labor of the United States to become an agent of the United States in order to carry out the provisions of Chapter 2 of Title II of the Trade Act of 1974, as amended (P.L. 93-618, as amended), and to perform such acts and do all those things necessary to fully carry out such agreement.

I-a. The department of employment security, through its commissioner, is hereby authorized to enter into an agreement, effective November 4, 2002, with the Secretary of Labor of the United States to become an agent of the United States in order to carry out the provisions of the Trade Adjustment Assistance Reform Act of 2002, as amended, (P.L. 107-210, as amended), and to
perform such acts and do all those things necessary to fully carry out such agreement.

II. (a) Solely for the purposes of carrying out the agreement authorized in paragraphs I and I-a, and notwithstanding other provisions of this chapter to the contrary, the provisions of this section permit:

(1) The payment of unemployment compensation benefits:

   (A) To an individual undergoing a training or retraining program under said federal law,

   (B) To an individual who voluntarily leaves employment which is not suitable as specially defined in said Trade Act to enter training which has been approved under the Trade Act prior to said leaving.

(2) An individual to receive unemployment compensation benefits though supplemented by a trade readjustment allowance or other assistance under the Trade Act.

(b) An individual whose benefit year ends during an extended benefit period shall have his potential maximum extended benefit amount reduced by any trade readjustment allowances received during said benefit year.

III. All costs of the Trade Act program, including benefits, training, counseling, attorney fees, or any other costs, shall be paid only out of federal funds made available to the state for that purpose. In administering the Trade Readjustment Act program, the state of New Hampshire shall be considered as acting solely as agent of the United States and shall incur no liability.

IV. The provisions of paragraph II shall be considered to be part of every grant, benefit, order or other document issued by any authority dealing with the Trade Act program as if fully set forth verbatim in such grant, benefit, order or other document.

RECIPROCAL ARRANGEMENTS RELATIVE TO CLAIM FOR BENEFITS

New Hampshire participates with other states in a specific program to the benefit of claimants. The program is generally known as: “Interstate Benefit Payment Plan.”

Interstate Benefit Payment Plan

All states participate in the Plan, which permits individuals who live in any given state to file claims through the Employment Security Agency of that state against the state wherein they have benefit entitlement. The claims are filed with state and sent to the state which is to pay the benefits, where the determination as to whether or not benefits can be paid is made and from whence the payments subsequently issue. If an individual has benefit entitlement in more than one state, the agreement permits him to elect to file against the state of his choice, which is normally the state in which he has the greatest benefit entitlement. The agreement does not permit the individual to change his mind after he makes his election. The agreement does not permit, except by special arrangement between two states, an individual who immediately before becoming unemployed customarily commuted from his residence in the agent state to his work in the liable state, to file a claim in the agent state. These individuals are called commuters, and normally are required to file in the liable state.

Where an appeal follows from a determination involving claims filed pursuant to the agreement, the claimant may appear for hearing in the liable state or a hearing will be arranged for him by the proper hearing body in the agent state. The record is then transferred to the liable state, where another hearing is normally held and a determination made.

A person is guilty of a misdemeanor if he makes or mends, or begins to make or mend, or knowingly has in his possession, an engine, machine, tool, or implement adapted and designed for cutting through, forcing or breaking open a building, room, vault, safe, or other depository, in order to steal therefrom money or other property, or to commit any other crime, knowing the same to be adapted and designed for the purpose aforesaid, with intent to use or employ or allow the same to be used or employed for such purpose.

635:2 Criminal Trespass. –
I. A person is guilty of criminal trespass if, knowing that he is not licensed or privileged to do so, he enters or remains in any place.

II. Criminal trespass is a misdemeanor for the first offense and a class B felony for any subsequent offense if the person knowingly or recklessly causes damage in excess of $1,000 to the value of the property of another.

III. Criminal trespass is a misdemeanor if:

(a) The trespass takes place in an occupied structure as defined in RSA 635:1, III; or
(b) The person knowingly enters or remains:

1. In any secured premises;
2. In any place in defiance of an order to leave or not to enter which was personally communicated to him by the owner or other authorized person;
3. In any place in defiance of any court order restraining him from entering such place so long as he has been properly notified of such order.

IV. All other criminal trespass is a violation.

V. In this section, ""secured premises" means any place which is posted in a manner prescribed by law or in a manner reasonably likely to come to the attention of intruders, or which is fenced or otherwise enclosed in a manner designed to exclude intruders.

VI. In this section, ""property," ""property of another," and ""value" shall be as defined in RSA 637:2, I, IV, and V, respectively.

644:4 Harassment. –
I. A person is guilty of a misdemeanor, and subject to prosecution in the jurisdiction where the communication originated or was received, if such person:

(a) Makes a telephone call, whether or not a conversation ensues, with no legitimate communicative purpose or without disclosing his or her identity and with a purpose to annoy, abuse, threaten, or alarm another; or
(b) Makes repeated communications at extremely inconvenient hours or in offensively coarse language with a purpose to annoy or alarm another; or
(c) Insults, taunts, or challenges another in a manner likely to provoke a violent or disorderly response; or
(d) Knowingly communicates any matter of a character tending to incite murder, assault, or arson; or
(e) With the purpose to annoy or alarm another, communicates any matter containing any threat to kidnap any person or to commit a violation of RSA 633:4; or a threat to the life or safety of another; or
(f) With the purpose to annoy or alarm another, having been previously notified that the recipient does not
desire further communication, communicates with such person, when the communication is not for a lawful purpose or constitutionally protected.

II. As used in paragraph I, "communicates" means to impart a message by any method of transmission, including but not limited to telephoning or personally delivering or sending or having delivered any information or material by written or printed note or letter, package, mail, courier service or electronic transmission, including electronic transmissions generated or communicated via a computer. For purposes of this section, "computer" means a programmable, electronic device capable of accepting and processing data.

III. In any complaint or information brought for the enforcement of RSA 644:4, I(f), it shall not be necessary for the state to negate any exception, excuse, proviso, or exemption contained therein and the burden of proof of any exception, excuse, proviso, or exemption shall be upon the defendant.

IV. A person shall be guilty of a class B felony if the person violates RSA 644:4, I(a) under circumstances involving making telephone calls to a telephone number that he or she knows is being used, at the time of the calls, to facilitate the transportation of voters to polling places or otherwise to support voting or registering to vote.

PART Emp 202  APPEAL TRIBUNAL

Emp 202.01  Appeal to and Hearing by Appeal Tribunal

(a) An appeal to an appeal tribunal from a certifying officer’s determination shall be in writing and filed in any office of the department within 14 calendar days from the date of mailing of said determination. The commissioner shall extend the time for filing pursuant to RSA 282-A:48 if he finds sufficient grounds which shall include illness, accident, the death of a family member, or similar problem beyond the control of the claimant, to justify or excuse a delay in filing.

(b) Notice of an appeal shall immediately be sent by e-mail notice pursuant to Emp 405.01, Emp 405.03, or Emp 405.05, or by first class mail to the other interested parties and third party administrators or other representatives, and an appeal tribunal chairman shall by e-mail notice pursuant to Emp 405.01, Emp 405.3 or Emp 405.5, or by first class mail send notice of the time and place of hearing to all interested parties and third party administrators or other representatives. The notice shall advise parties that they may be represented by an attorney or other authorized representative of their choosing and that free or low cost assistance may be available.

(c) The appeal shall be heard at the earliest possible date, but not earlier than the eighth calendar day after notice of the hearing has been sent by e-mail notice pursuant to Emp 405.01, Emp 405.03, or Emp 405.05, or by first class mail to the interested parties, third party administrators, or other representatives unless the commissioner finds:

(1) The interested parties, or their third party administrators, or other representatives have either:
   a. Agreed in writing to less than 8 calendar days of notice; or
   b. Agreed on the record while under oath to less than 8 calendar days of notice;

(2) The holding of an earlier hearing is not likely to result in the absence of witnesses or evidence which would otherwise be available;

(3) The holding of an earlier hearing will serve justice and efficiency; and

(4) The holding of an earlier hearing will not adversely affect the appeal tribunal's ability to efficiently manage the docket.

(d) The interested parties shall be present and ready with all witnesses and evidence, and shall be prepared to dispose of all issues relating to entitlement to benefits, at the scheduled place and time.

(e) To the extent possible the appeal shall set forth the grounds upon which it is claimed that the certifying officer's determination is incorrect. However, any issue relevant to claims shall be considered at the hearing, except where the jurisdiction of the appeal tribunal is limited upon further hearing when reopening is ordered by the commissioner.

(f) All department records used at the hearing shall be produced and identified at the hearing by the chairman, reviewed by the tribunal and may be examined by the parties. Records, other than department records, shall be admitted only when in the judgment of the chairman such are duly authenticated.

(g) The chairman of an appeal tribunal shall determine all questions as to the admissibility of evidence. All members of the tribunal may examine a witness. The chairman shall swear all witnesses or obtain their affirmation. The chairman shall determine the procedure and shall, for no longer than 30 days except with the approval of the commissioner, continue, adjourn or postpone a hearing.
(h) A hearing shall be continued, adjourned or postponed for up to 30 days by the chairman or longer than 30 days with the approval of the commissioner if the chairman or, if necessary, the commissioner find that continuance, adjournment or postponement are required for:

(1) A prehearing conference;
(2) Proper notice to an interested party;
(3) Obtaining the presence of a witness;
(4) Avoiding fraud or mistake;
(5) Providing due process; or
(6) Similar reasons.

(i) If a party wishes to submit evidence after the close of a hearing, the party shall submit a request to the appeal tribunal with notice to the other parties. The tribunal shall give notice of the request to the other parties of their right to object to the taking of the evidence and to refute the evidence. Where further hearing is ordered, notice of place and time shall be as in (b) above.

(j) The tribunal shall grant a request for the submission of evidence after the close of the hearing if it finds that acceptance of the evidence would:

(1) Avoid fraud or mistake;
(2) Provide due process;
(3) Result in the submission of evidence which is newly discovered and which was not available to the affected party upon reasonable search at the time of the hearing; or
(4) Similar reasons.

(k) A chairman shall determine after examination whether to accept sworn or affirmed stipulations of the interested parties as to all the facts in a case or in addition or in lieu thereof, to require oral sworn or affirmed testimony. Request for permission to file stipulation shall be made to the chairman not less than 3 calendar days prior to the scheduled hearing, otherwise the hearing will proceed as scheduled.

(l) A chairman shall deny access to a hearing or to the use and benefits of an appeal tribunal to an individual, interested parties excepted, for conduct which constitutes:

(1) Fraud;
(2) Neglect of duty;
(3) Disorderly, unruly or willfully contemptuous conduct at a hearing;
(4) Intentional or repeated failure to observe the New Hampshire unemployment compensation law, or
(5) The acceptance of fees in excess of those allowed by the commissioner.

(m) Where action as provided in Emp 202.01(l) is limited to one appeal, notice of denial of access shall be given orally by the chairman, but where the action taken affects more than one appeal such notice shall be in writing and sent by e-mail notice pursuant to Emp 405.01, e-mail notice pursuant to Emp 405.03, or by first class mail to the individual affected.
(n) Where a claim or question involved therein is referred to an appeal tribunal as provided in RSA 282-A:47 such shall be treated as an appeal case, to the extent applicable, under this rule.

(o) Except where a chairman sits alone the decision of the appeal tribunal upon an appeal shall be determined by a majority vote. However, the minority may file a written dissent setting forth the reasons therefor.

(p) Any party may be represented by counsel or other representative, but such person appearing on behalf of a party, except for a claims representative providing assistance pursuant to RSA 282-A:134, shall first file a letter announcing the fact of representation at the earliest date practical and shall send a copy of such letter to all parties. Parties shall retain counsel at their own expense and requests for appointment of counsel shall not be entertained. No fee shall be charged for representing an individual seeking benefits without prior approval pursuant to RSA 282-A:158 and Emp 204.

(q) The appeal tribunal chairperson, upon motion, or upon his or her own initiative, shall if justified by the facts, complexity of issues, the presence of one or more of the items listed at Emp 202.01(r), or similar factors, direct all interested parties to attend one or more prehearing conference to aid in the disposition of the proceeding.

(r) Subjects to be considered at a prehearing conference may be:

1. Opportunities and procedures for settlement if appropriate;
2. Opportunities and procedures for simplification and limitation of the issues;
3. Possible amendments to the pleadings;
4. Possible admissions of fact and of documents to avoid unnecessary proof;
5. Possible limitations on the number of witnesses;
6. Possible changes to the standard procedures which would otherwise govern the proceeding;
7. The distribution of written testimony, if any, and exhibits to the parties;
8. Possible consolidation of the examination of witnesses by the parties; and
9. Any other matters which might contribute to the prompt and orderly conduct of the proceeding.

(s) The appeal tribunal shall cause prehearing conferences to be recorded unless all parties wish to discuss possible settlement off the record. Matters decided at a prehearing conference shall be reflected in an appropriate order.

(t) Subpoenas for the attendance of witnesses or the production of evidence shall be issued pursuant to RSA 282-A:124 upon a showing that:

1. The testimony or evidence is necessary, relevant and non-repetitive; and
2. The witness or evidence cannot be voluntarily obtained.

(u) Whenever it shall appear to the appeal tribunal, upon motion or its own initiative, that 2 or more proceedings involve substantially similar or substantially related issues, the appeal tribunal shall, as fairness and efficiency permit, consolidate those proceedings for hearing, or decision, or both.

(v) Testimony in interstate appeals by parties located out of state shall be by telephone or video conference unless otherwise ordered due to the request of the party or parties located out of state, the presence in the state of all parties or similar reasons. If the party or parties located out of state will be
testifying by telephone, testimony by parties located within the state may give testimony either by telephone, video conference or in person.

(w) Testimony in intrastate appeals shall be in person, or by video conference that shall allow parties to view and hear witnesses as testimony is being presented and to cross-examine, subject to (x) and (y) below.

(x) Testimony in intrastate appeals shall be by telephone only if:

(1) All parties have been given opportunity to object;
(2) No party has objected;
(3) There is not a question of credibility for which there is no direct evidence other than the demeanor of one or more witnesses; and
(4) Presence at an in-person or video conference hearing would be difficult for one or more parties due to:
   a. Illness or disability;
   b. Prohibitive distance;
   c. Lack of transportation; or
   d. Similar reasons.

(y) Ability to submit testimony by telephone or by video conference shall be contingent on availability of the necessary services and equipment.

(z) Whenever it is clear to the appeal tribunal that a certifying officer’s determination was issued without notice to all interested parties or all issues were not addressed and such issues cannot be adequately or efficiently initially resolved in the context of the appeal tribunal hearing, the appeal tribunal shall vacate all or part of the certifying officer decision and remand those portions to the certifying officer's unit for further action or decision.

PART Emp 203 APPELLATE DIVISION; ORGANIZATION AND APPLICABILITY OF RULES - EXPIRED AND RESERVED

PART Emp 204 APPROVAL OF FEES

Emp 204.01 Scope of Rules. These rules shall govern all petitions for approval of fees pursuant to RSA 282-A:158.
Emp 204.02 Written Petitions.

(a) Any individual claiming benefits may be represented by counsel or other duly authorized agent. No such counsel or agent shall either charge or receive for such services more than an amount approved by the commissioner or the commissioner’s designee following the filing of a written petition requesting such approval.

(b) The written petition shall:

(1) Identify the claimant and the proceedings for which services were rendered;

(2) Contain an itemized statement of such services rendered, including the dates and time spent performing said services; and

(3) State the results achieved for the claimant.

(c) The written petition may be accompanied by a written memorandum in support of the requested fees, including any offers of proof the petitioner wishes the commissioner or the commissioner’s designee to consider.

(d) A copy of the petition and any memorandum by the petitioner shall be sent to the claimant by the petitioner. The petition shall include a statement that the claimant has 14 calendar days to file an objection. The petition shall contain a certification that a copy of the petition and memorandum if any, were sent to the claimant and that the claimant was advised in writing on the petition that the claimant had 14 calendar days to file an objection.

(e) The claimant may, within 14 calendar days of the date of mailing, file an objection to the petition with the commissioner. The objection shall specify the portions of the requested fees that the claimant disputes and shall specify the reasons for the claimant’s objection. The objection may be accompanied by a written memorandum. A copy of the objection and any memorandum shall be sent to the counsel or agent who filed the petition. The objection and any memorandum shall certify that such copies were sent.

Emp 204.03 Approval of Fees.

(a) Upon receipt of an objection to a petition, or following expiration of the 14-day period for objecting, the commissioner or the commissioner’s designee shall approve a fee in a reasonable amount.

(b) A fee shall be considered reasonable if the following are true:

(1) The time and labor required are commensurate with the fee;

(2) The complexity of the case, the novelty and difficulty of the questions involved, and the skill requisite to perform the services properly are proportionate with the fee;

(3) The amount of benefits involved and the results obtained justify the fee;
(4) If the employer was represented by an attorney, it made the case more difficult for the claimant or representation by an attorney necessary or desirable;

(5) The terms of the claimant’s attorney’s fee agreement, if any, are consistent with the fee; and

(6) If an unsuccessful appeal to the appeal tribunal was initiated by the claimant, the fee is not for an appeal which was without merit based on statutory and case law unless evidence shows that the appeal was against the advice of the counsel or agent.

(c) Nothing in this rule shall prevent the commissioner or the commissioner’s designee from scheduling a hearing upon the petition should the commissioner or the commissioner’s designee determine that additional information is necessary for him to render a decision.

A decision shall be presumed mailed on the date of the decision. A request shall be presumed filed when received by the department in any of its offices. The deadline for filing shall be extended to the next business day if the filing deadline falls on a federal or state-recognized holiday or on a weekend.

(b) Any party seeking reconsideration may also file a written request for a hearing, stating specifically why a hearing is necessary, what evidence would be submitted, and why written statements or offers of proof are inadequate.

(c) Either party may, within 14 calendar days of the date of filing, file an objection to any request for reconsideration or hearing.

(d) A copy of any requests or objections filed shall be sent to the other party. All requests and objections shall contain a statement of compliance herewith.

(e) Upon receipt of an objection, or following expiration of the 14-day period for objecting, the commissioner or the commissioner’s designee shall:

(1) Schedule a hearing upon such issues or questions of fact as are needed to render a determination on whether the decision is affected by fraud, mistake of law, mistake of fact, or newly discovered evidence;

(2) Reconsider the original decision based upon the written reconsideration request and any objection thereto if such indicate the decision is affected by fraud, mistake of law, mistake of fact, or newly discovered evidence; or

(d) Whenever benefits are paid to a claimant as a result of annual earnings from a reimbursing employer, such reimbursing employer shall reimburse the trust fund for benefits paid to such claimant in the same proportion as the annual earnings from such reimbursing employer bear to the total amount of annual earnings in the claimant’s applicable base period. If the payment voucher form is received after the 7 calendar day period the department shall consider the information received and shall adjust the charges going forward based on the information provided in the payment voucher form.

Emp 304.11  Transfers of Experience and Assignment of Rates.

(a) These rules shall govern transfers of experience and assignment of rates pursuant to RSA 282-A:91-a.

(b) The percentage of transfer of an employer’s trade, business, or workforce shall be calculated as the percentage that the gross wages attributable to the transferred portion for the 4 completed calendar quarters immediately preceding the quarter in which the transfer occurred bears to the total gross wages of the transferor for the same period.

(c) The department shall calculate rates for purposes of RSA 282-A:91-a,I(a)(1) as follows:

(5) If the transferee was subject to RSA 282-A prior to the transfer then the department shall calculate the transferee’s contribution rate by adding the transferee’s experience rating balances and payroll effective on the date of the transfer to the balances subtracted from the transferor’s experience rating balances and payroll.
(d) If the department determines pursuant to RSA 282-A:91-a, I(a)(2) and (d) that a substantial purpose of the transfer of trade, business, or workforce was to obtain a reduced liability for contributions the department shall calculate both the transferor’s and transferee’s contribution rates by combining the transferor’s and transferee’s experience rating balances effective on the date of transfer and assigning the combined rate to each employer.

(e) The rates calculated by the department pursuant to Emp 304.11(c) and Emp 304.11(d) shall be effective upon the date of the transfer.

(f) Transferee employers shall be entitled to use the wages paid by transferor employers for purposes of calculating taxable wages only to the extent the department has transferred experience under Emp 304.11(c).

(g) The department shall consider a management company which contracts with any employer to report the wages of managed employees to:

1. Have common management and control with:
   a. Such employer; and
   b. Any other management company with which such employer contracts for the same purposes in the future; and

PART Emp 306 EMPLOYER ELECTIONS

Emp 306.01 Employer Elections to Cover Multi-State Workers.

(a) This section shall govern the New Hampshire department of employment security in its administrative cooperation with other states subscribing, pursuant to RSA 282-A:169-171, to the interstate reciprocal coverage arrangement, hereinafter referred to as "the arrangement."

(b) As used in this section, unless the context clearly indicates otherwise:
(1) “Agency” means any officer, board, commission or other authority charged with the administration of the unemployment compensation law of a participating jurisdiction;

(2) “Interested agency” means the agency of an interested jurisdiction;

(3) “Interested jurisdiction” means any participating jurisdiction to which an election submitted under the rule is sent for its approval;

(4) “Jurisdiction” means any state of the United States, the District of Columbia, or, with respect to the federal government, the coverage of any federal unemployment compensation law;

(5) “Participating jurisdiction” means a jurisdiction whose administrative agency has subscribed to the arrangement and whose adherence thereto has not terminated; and

(6) “Services customarily performed by an individual in more than one jurisdiction” means work rendered in more than one jurisdiction during a reasonable period, if the nature of the services gives reasonable assurance that they will continue to be performed in more than one jurisdiction or if such services are required or expected to be performed in more than one jurisdiction under the election.

(c) Submission and approval of coverage elections under the arrangement shall be as follows:

(1) Any employing unit may file an election on a form supplied by the department, to cover under the law of a single participating jurisdiction all of the services performed for him by any individual who customarily works for him in more than one participating jurisdiction;

(2) Such an election may be filed, with respect to an individual, with any participating jurisdiction in which:
   a. Any part of the individual's services is performed;
   b. The individual has his residence; or
   c. The employing unit maintains a place of business to which the individual's services bear a reasonable relation;

(3) The employing unit shall obtain the initial approval or disapproval of the election by the agency of the elected jurisdiction;

(4) If such agency approves the election, the employing unit shall forward a copy thereof to the agency of each other participating jurisdiction specified thereon, under whose unemployment compensation law the individual or individuals in question might, in the absence of such election, be covered. The employing unit shall obtain the approval or disapproval of the election by each such interested agency, as promptly as practicable, and shall notify the agency of the elected jurisdiction accordingly;

(5) In case its law so requires, any such interested agency may, before taking such action, require from the electing employing unit evidence that the affected employees have been notified of, and have acquiesced in the election;

(6) If the agency of the elected jurisdiction, or the agency of any interested jurisdiction, disapproves the election, the disapproving agency shall notify the elected jurisdiction and the electing employing unit of its action and of its reasons therefor;

(7) Such an election shall take effect as to the elected jurisdiction only if approved by its agency and by one or more interested agencies;
(8) An election thus approved shall take effect, as to any interested agency, only if it is approved by such agency; and

(9) In case any such election is approved only in part, or is disapproved by some of such agencies, the electing employing unit may withdraw its election within 10 days after being notified of such action.

(d) Effective period of elections shall be as follows:

(1) An election duly approved under this rule shall become effective at the beginning of the calendar quarter in which the election was submitted, unless the election, as approved, specifies the beginning of a different calendar quarter. If the electing unit requests an earlier effective date than the beginning of the calendar quarter in which the election is submitted, such earlier date shall be approved solely as to those interested jurisdictions in which the employer had no liability to pay contributions for the earlier period in question;

(2) The application of an election to any individual under this rule shall terminate, if the agency of the elected jurisdiction finds that the nature of the services customarily performed by the individual for the electing unit has changed, so that they are no longer customarily performed in more than one participating jurisdiction;

(3) Such termination shall be effective as of the close of the calendar quarter in which notice of such finding is mailed to all parties affected;

(4) Except as provided in sub-paragraphs (2) and (3), each election approved hereunder shall remain in effect through the close of the calendar year in which it is submitted, and thereafter until the close of the calendar quarter in which the electing unit gives written notice of its termination to all affected agencies; and

(5) Whenever an election under this rule ceases to apply to any individual, under sub-paragraphs (2), (3) or (4), the electing unit shall notify the affected individual accordingly.

(e) Reports and notices by the electing unit shall be as follows:

(1) The electing unit shall promptly notify each individual affected by its approved election and shall furnish the elected agency a copy of such notice;

(2) Whenever an individual covered by an election under this rule is separated from the individual's employment, the electing unit shall again notify the individual, immediately, as to the jurisdiction under whose unemployment compensation law the individual's services have been covered. If at the time of termination the individual is not located in the elected jurisdiction, the electing unit shall notify the individual as to the procedure for filing interstate claims; and
(3) The electing unit shall immediately report to the elected jurisdiction any change which occurs in the conditions of employment pertinent to its election, such as cases where an individual's services for the employer cease to be customarily performed in more than one participating jurisdiction or where a change in the work assigned to an individual requires the individual to perform services in a new participating jurisdiction.

Emp 402.01 Form, Dishonored and Application.

(a) Contributions and other debts due the department shall be due and paid in the currency of the United States, by United States Postal money order, or by check drawn on a bank located in the United States. Any cost of exchange or clearance of any check used for the payment of contributions shall be charged against the employer's account and collected from such employer.

(b) Pursuant to RSA 6:11-a, for every check, draft, or money order tendered to the department of employment security for any purpose which is returned as uncollectible, there shall be added, in addition to all protest, bank fees, or other charges, a fee of $25 or 5 percent of the face amount of the check, whichever is the greater.

(c) Fees and charges shall be waived if the commissioner finds that the fees and charges:

(1) Would result in hardship if collected;

(2) Remain due on an account on which the principal balance has been paid and collection would not be cost effective; or

(3) Should be waived for other reasons where collection of fees and charges would be inequitable or inefficient.

(d) All payments received on an outstanding debt for "contribution" as defined in RSA 282-A:152, or credits due the debtors, shall be credited to that portion of the debt which has been outstanding for the longest time including interest, fees, cost, and other charges added thereto by law.

(2) Agreed to a payment schedule and amount consistent with the debtor’s ability to pay;

(3) Made payments substantially in compliance with any payment schedule or court order;

Emp 408.04 Rebuttable Presumption.

(a) There shall be a rebuttable presumption that it is in the “best interests of the state” to compromise a non-fraud overpaid benefit account of state unemployment benefits in total if the debtor’s household income is derived solely from the following sources:

1. Old Age Assistance;
2. Aid to the Permanently and Totally Disabled;
3. Supplemental Security Income;
4. Aid to the Needy Blind;
5. Temporary Assistance For Needy Families;
6. Social Security Disability Insurance;
7. Social Security Retirement Benefits; or
8. Veteran’s Benefits.

(b) The presumption in (a) above shall be rebutted by evidence of one or more of the following:
(1) The claimant’s economic circumstances are likely to change substantially with two years;

(2) The claimant owns and/or holds an interest in real property which is not inchoate or de minimis;

(3) The claimant owns and/or holds an interest, which is not inchoate or de minimis, in goods, property, money, rights, and credits that is capable of being liquidated in the relatively near future without substantial loss in value, excepting such interests that are exempted from attachment and execution; or

(4) The overpayment was the result of fraud.

(c) There shall be a rebuttable presumption that it is in the “best interests of the state” to compromise any non-fraud portion of an overpaid benefit account of state unemployment insurance benefits that resulted from base period wages from a reimbursing employer, provided that the claimant provides documentation satisfactory to the department that the reimbursing employer does not object.

(d) The presumption in (c) above shall be rebutted if the department finds that there is some other reason to conclude that failing to recover the overpayment would, or could affect:

(1) Any interested party, as defined in RSA 282-A: 42, III, other than a non-objecting reimbursing employer under (c) above; or

(2) An agency or department of any state or of the federal government.

(e) If the presumption in (a) or (c) above is rebutted, the determination of whether a total or partial compromise is recommended shall be based on weighing the factors in Emp 408.05.

Emp 408.06 Factors to be Considered. Factors to be considered in determining whether the total or partial compromise of an overpaid benefit account is in “the best interest of the state” for purposes of RSA 282-A:29, shall include whether:

(a) The debtor has made an offer of partial payment that is reasonable relative to the amount of the debt and the debtor’s ability to make total or partial payment over the course of a reasonable period of time;

(b) The debtor made payments on the overpayment as promptly as the debtor was financially able;

(c) The debtor agreed to a payment schedule and amount consistent with the debtor’s ability to pay;

(d) The debtor made payments substantially in compliance with any payment schedule or court order;
(e) The debtor contacted the department if any payments were going to be late or less than the agreed amount;

(f) The debtor provided any financial affidavit or other financial information that was needed by the department to determine the debtor’s ability to pay;

(g) The debtor kept the department informed of the debtor’s telephone numbers, sources of income, physical addresses and mailing addresses;

(h) The debtor promptly responded to communications from the department;

(i) The debtor assured that checks were not returned due to insufficient funds;

(j) The debtor cooperated so that it was not necessary for the department to take legal action to collect the overpayment;

(k) The debtor was not found overpaid as a result of fraud;

(l) The debtor was not found to have been with fault in the creation of the overpayment pursuant to RSA 282-A:165, II and Emp 502.03;

(m) The debtor was found to have been with fault in (k), but the nature of the debtor’s fault was mere negligence, rather than omissions or commissions which were unreasonable, grossly negligent, reckless, knowing, or willful;

(n) The debtor, if currently unable to make payments, is not likely to have a substantial improvement in ability to pay within 12 months.

(o) The debtor has income or assets which, after considering total household income, are in excess of those required for the necessaries for the debtor and the debtor’s immediate family residing in the same household;

(p) The debtor has income or assets which are not exempt from garnishment, levy, or execution under federal or state law;

(q) The debtor has an ability to pay that is substantially limited when compared to the amount of the debt;

(r) The debtor has a partial or entire overpayment benefit account that resulted from payments from a reimbursing employer, and the reimbursing employer does not object to compromise;

(s) The debtor has demonstrated that the debtor currently intends to either refinance the debtor’s mortgage or obtain a reverse mortgage, and a lien by the department against the debtor’s primary residence would prevent the debtor from doing so;

(t) The debtor has any other financial limitations, has acted in any other way that positively demonstrated the debtor’s willingness to substantially comply with the department’s collection efforts and benefit eligibility determination requirements or has demonstrated other actual harm would result from collection efforts or the failure to grant a partial or total compromise; and

(u) The department finds that the total or partial compromise of the overpaid benefit account would, or could affect:

Emp 408.07 Injured Spouse Allocation.

(a) If the overpayment, which is the subject of the request for compromise, qualifies as an “overpayment debt” as defined in Emp 409.02 (i), the department shall not consider a request for compromise until the individual has demonstrated through documentation the individual’s tax filing status for the tax year in question for which a tax refund offset may be, or has been, certified by the department to satisfy a debt owed by the individual.

(b) If the individual’s tax filing status is such that another individual would be entitled to file a request for injured spouse allocation with the IRS in order to claim a portion of the tax refund, the department shall require, prior to considering the request for compromise, the injured spouse allocation process first be exhausted with the IRS.

(c) If following exhaustion of the injured spouse allocation process, the individual demonstrates through documentation that the injured spouse allocation request has been rejected by the IRS, the department shall then consider a request for compromise.

(b) Requests for reconsideration submitted later than 14 days of the date of the notice of the Commissioner’s recommendation shall not be considered.

(i) “Overpayment debt” means “covered unemployment compensation debt” as defined in 26 U.S.C. 6402(f)(4). The term includes:

(2) Any penalties and interest assessed on such debt.

Emp 409.03 **Advance Notification and Opportunity to Present Evidence.**

(a) The department shall provide a written notification to the individual by U.S. mail, to his or her last known address, informing the individual that the department intends to refer the debt for collection by federal tax refund offset and advising the individual of the individual’s rights and limitations under Emp
409.03 (b), (d), (f), (i) and (j). Such written notification shall inform the individual that he or she has the right to request forbearance.

(b) The individual shall have 60 days to present documentation that all or part of the overpayment debt is not past due, not legally enforceable, or is not due to fraud or the individual’s failure to report earnings.

(c) The department shall consider any documentation presented by an individual in response to the notice described in Emp 409.03(a) and determine whether an amount of such overpayment debt is not past due, not legally enforceable, or is not due to fraud or the individual’s failure to report earnings.

(d) The individual shall not have new or further right to appeal, or otherwise have reviewed on the merits, any final determination which determined the individual’s overpayment debt and which the individual already had rights of appeal under RSA 282-A: 42-68.

Request for reconsideration postmarked or received later than 14 days after the date of the notice of the department’s determination shall not be considered unless the commissioner or the commissioner’s designee finds sufficient grounds to justify or excuse the individual from filing a timely request for reconsideration.

(g) For purposes of this section, sufficient grounds shall include any unforeseeable circumstance beyond the individual’s control that prevented the individual from making a timely request for reconsideration.

(h) The commissioner’s review shall be on the record. If reconsideration is requested, the commissioner shall designate a person to participate in the commissioner’s review who shall be different than any person who was designated to make the initial determination in accordance with Emp 409.03(c).

(i) The department shall advise the individual of the commissioner’s determination under Emp 409.03(h) in writing. The department shall also notify the individual(s) that if they believe that the department incorrectly certified that their overpayment debt is either past due, legally enforceable, or the debt is due to fraud or the individual’s failure to report earnings, the individual may file a complaint with FMS. The department shall provide the individual with the address and telephone number for FMS.

(j) The individual may contact the department to request that the department grant forbearance in whole or in part if the tax refund offset would cause extreme financial hardship pursuant to Emp 409.08.

(a) For any overpayment debt which is certified, or would otherwise be certified, pursuant to Emp 409.04, the department shall, to the extent it determines that offset of all or part of the federal tax refund will cause extreme financial hardship to the individual or a member of the individual’s immediate family:

(1) Not certify such overpayment debt;

(2) Reduce the amount of such certification; or

(3) Return, in whole or in part, tax refund offset moneys to the individual.

(a) The department shall not consider a request for forbearance until the individual has demonstrated through documentation the individual’s tax filing status for the tax year in question for which a tax refund offset may be, or has been, certified by the department to satisfy a debt owed by the individual.

(b) If the individual’s tax filing status is such that another individual would be entitled to file a request for injured spouse allocation with the IRS in order to claim a portion of the tax refund, the department shall not consider a request for forbearance until the injured spouse allocation process with the IRS has been exhausted.

Emp 409.08 Extreme Financial Hardship.

(a) In determining whether an individual has established that offset of all or part of the federal tax refund will cause extreme financial hardship to the individual or a member of the individual’s immediate family, the department shall determine whether the credible, relevant documentation submitted demonstrates that the offset or proposed offset would prevent the individual from meeting the costs necessarily incurred for essential subsistence expenses of the individual and his or her spouse and dependents.

(b) For purposes of this determination, essential subsistence expenses shall include costs incurred only for food, housing, utilities, clothing, essential transportation and medical care.

(c) In making the determination, the department shall consider:

(1) The income from all sources of the individual, and his or her spouse and dependents;
(2) The extent to which the assets of the individual and his or her spouse and dependents are available to meet the offset and the essential subsistence expenses;

(3) Whether these essential subsistence expenses are reasonable under all the circumstances; and

(4) The extent to which the individual and his or her spouse and dependents have other exceptional expenses that should be taken into account, and whether these expenses are reasonable under all the circumstances.

(d) The department shall advise the individual of its determination in writing. Such determination shall not be appealable. Such determination shall advise the individual of his or her right to request an adjustment of his or her account by compromise in accordance with Emp 408.

(a) The commissioner shall utilize a statistical profile to determine whether a claimant is likely to be unemployed long-term.

(b) The statistical profile shall be based on the:

1. Claimant’s month of filing the initial claim;
2. Industry exhaustion rate of claimant’s industry at time of the claimant’s separation from employment;

(1) To verify the individual's efforts to obtain employment;
(2) To determine if the individual is likely to be unemployed long term;
(3) To provide the individual with services which may assist the individual in becoming employed; or
(4) For other similar purposes that will aid the commissioner in providing appropriate services to the individual.

(b) Claimants who report for employment services shall provide upon request of the commissioner complete information of all efforts to obtain employment made by the claimant:

(1) During all weeks claimed since the individual's initial claim if the individual has not previously reported for employment services; or
(2) During all weeks claimed since the individual's last scheduled appointment for employment services to which the individual reported, if the individual has previously reported for employment services.

(c) A claimant previously employed full-time or part-time who has obtained reasonable assurance from his or her employer that the claimant's layoff will be fewer than 4 weeks shall not be scheduled for employment services unless such employer shall fail to provide full-time or part-time employment to the claimant in fewer than 4 weeks.

(d) A claimant exempt from reporting for employment services pursuant to Emp 501.11(c) shall not be required to actively seek work and provide the commissioner with documentation of efforts to obtain employment for any week during such exemption.

(e) A claimant exempt from reporting for employment services pursuant to Emp 501.11(c) shall, notwithstanding such exemption, attend a benefits orientation session.

(f) For purposes of (c) above, “fewer than 4 weeks” means 27 or fewer calendar days and is calculated from the last day worked to the return to work date.

(g) For purposes of (c) above, “reasonable assurance” means that it is more likely than not that employment shall commence within the required time frame.

(h) Factors to be considered by the commissioner in determining whether employment is more likely than not shall include but not be limited to information which is available concerning:

(1) The existence of a contract;

(j) A claimant exempt from reporting for employment services pursuant to Emp 501.11(i) shall not be required to actively seek work and provide the commissioner with documentation of efforts to obtain employment for any week during such exemption.

(k) A claimant exempt from reporting for employment services pursuant to Emp 501.11(i) shall, notwithstanding such exemption, attend a benefits orientation session.

(l) For purposes of (i) above, “within the time period specified in RSA 282-A:31, I(d)(5)” means that the number of weeks exempted in accordance with RSA 282-A:31, I(d)(5) are multiplied by 7 to arrive at the number of days of such exemption.
(m) If the return to work date calculated from the last day of work results in the same or fewer calendar days than the multiplied number, as specified in (l) above, then the work search waiver requirements under (i) above shall be satisfied.

(n) For purposes of (i) above, “definite return to work” means that the claimant has been given a guarantee of employment which is to begin as a regular and continuous work schedule within the time period specified in RSA 282-A:31, I(d)(5) calculated from the last day of work and which is not contingent on the occurrence of any foreseeable intervening event.

(o) A “regular and continuous work schedule” means the return to activities and a schedule comparable to that performed prior to being laid off. (h) If the return to work date calculated from the last day of work results in the same or fewer calendar days than the multiplied number, as specified in (g) above, then the work search waiver requirements under (c)(6) above shall be satisfied.

(i) For purposes of (c)(6) above, “definite return to work” means that the claimant has been given a guarantee of employment which is to begin as a regular and continuous work schedule within the time period specified in RSA 282-A:31, I(d)(5) calculated from the last day of work and which is not contingent on the occurrence of any foreseeable intervening event.

Emp 503.06  Leaving Employment Necessary Due to Domestic Abuse.

(a) The purpose of Emp 503.06 is to implement RSA 282-A:32, I(a)(3).

(b) “Domestic abuse” means “abuse” as defined in RSA 173-B:1, I, by a family or household member or a former sexual or intimate partner.

(c) “Family or household member” means “family or household member” as defined in RSA 173-B:1, X.

(d) “Immediate family” means spouse, parent, and minor child under the age of 18 whether the relationship is a biological, adoption, step-, half-, or in-law relationship.

(e) “Intimate partner” means “intimate partner” as defined in RSA 173-B:1, XV.

(f) The fact of domestic abuse shall be established by a preponderance of the evidence.

(g) The department shall verify the existence of domestic abuse through reasonable documentation.

(h) If the claimant has sought assistance in addressing domestic abuse from a counselor, shelter worker, attorney, member of the clergy, health worker, or other professional, reasonable documentation shall include documentation from such professional.

(i) In addition to reasonable documentation under Emp 503.06(h), the department shall accept any other evidence that reasonably tends to prove domestic abuse.
(j) The department shall accept as evidence of domestic abuse, but shall not require:

(1) An active or recently issued protective or other order documenting domestic abuse; or

(2) A police record documenting relevant domestic violence.

(k) Each determination under this section shall be decided on its own merits taking into consideration the specific facts and circumstances of the claimant, the employment, and the abuse involved.

(l) Upon an affirmative finding of the fact of domestic abuse, the separation from employment shall not be disqualifying if the commissioner determines that:

(1) The claimant reasonably believed the separation from employment was necessary to protect the claimant or any member of the claimant's immediate family from domestic abuse; or

(2) The claimant moved to a location from which it would be impractical for him or her to commute to the claimant's former employment in order, and based on a reasonable belief that moving to the location was necessary, to protect the claimant or any member of the claimant's immediate family from domestic abuse.

(m) The factors in (n) shall be considered by the commissioner in making the determination under paragraph (l) on a totality of the circumstances basis, and the presence or absence of one or more of the factors shall not be controlling.

(n) Factors to be considered shall include but not be limited to whether:

(1) The abuse, or the effects of the abuse, interfered with the claimant’s ability to work, travel, or prepare for work;

(2) The claimant or any member of the claimant’s immediate family needed to hide from the abuser at a shelter or elsewhere in order to be safe;

(3) The abuse occurred as a consequence of the claimant going to work; and

(4) The failure of the claimant to separate from employment would make it more likely that the claimant or any member of the claimant’s immediate family would be the victim of domestic abuse.

(o) There shall be a presumption under Emp 503.06(l)(2) that it would be impractical for the claimant to commute to the claimant's former employment if:

(1) The distance of the commute from the location to which the claimant moved to the claimant’s employment would have exceeded 50 miles; or

Emab 205.06 Public Participation.

(a) Any person who wishes to speak on the issue or issues that are the subject of the hearing shall place his or her name and address on a speakers’ list before the last speaker on the list has finished speaking. All whose names appear on the speakers’ list, as provided, shall be afforded reasonable time to speak at the hearing. Reasonable time shall be determined considering the number of people who wish to be heard, and the time and the availability of the facility.

(b) The appellate board, through the moderator, shall:

(1) Refuse to recognize a person who refuses to give him or her full name and address;
(2) When a group or organization wishes to comment, limit the group to no more than 3 spokespersons, provided that the members who are present shall be allowed to enter their names and addresses into the record as supporting the position by the group or organization;
(3) Revoke recognition of a speaker who speaks or acts in an abusive or disruptive manner; and
(4) Revoke recognition of a speaker who refused to keep his or her comments relevant to the issue or issues which are the subject or the hearing.

(c) Written comments may by submitted any time from the time notice has been published until the record has been closed by the moderator, which shall not be less than 5 business days after the hearing.

(d) In the event that the number of speakers who wish to give oral testimony relevant to the issue or issues involved exceeds that number which can be heard within a reasonable period of time subject to facility availability and length of the hearing, the hearing shall be reconvened pursuant to RSA 541-A:11, III to afford such persons the opportunity to be heard. Speakers may elect to submit written testimony in lieu of additional oral hearing.
