

CONNECT YOUR MILITARY SKILL SET WITH

# The Career You Want

## Job hunting?

**Connect with hiring managers today!**

We match your military experience and talents to specific opportunities in the civilian employment sector. Because we're connected to and understand both the military and corporate cultures, we're able to make meaningful introductions leading to employment.

**We know you have lots of questions**

## We'll be there every step of the way!

You may want to continue with a career related to your military specialty and need assistance with translating military experience to civilian skills and qualifications. Or, you may want to embark on an entirely new career. MTS will help you through the process!

1

### Contact MTS

Contact MTS! That's it!  
**(800) 832-1653**  
solutions@  
militarytalentsource.com

2

### Prepare

We'll help you figure out what you want to do, where you want to do it, and when you're available. From there, we'll develop a plan and strategy together to help you transition to your next career.

3

### Interview

We have relationships with hiring managers so, we expedite the process of getting you in front of quality businesses to interview for open opportunities.

4

### Get Hired

As soon as six months from the time of your separation date! Whether you're already out or months from separating we'll help you get your job secured.
