

Attention Employers!

NH Employment Security Announcement

Unemployment Insurance State Information Data Exchange System

This is a new product offered to NH employers to communicate with the agency electronically.

Developed through a strategic partnership between the U.S. Department of Labor and state unemployment insurance (UI) agencies, the SIDES E-Response website is accessible *free of charge* to any employer or third-party administrator (TPA) with internet access.

Benefits of SIDES and SIDES E-Response

- Saves time and money
- Available for FREE
- Reduces staff time
- Reduces paper work
- Helps keep UI rates as low as possible by reducing overpayments
- Provides an electronic, nationally standardized data format
- Includes data checks to ensure the exchange of complete and valid information
- Provides tools for a healthier bottom line
- Reduces follow up requests and phone calls
